There are many ways in which St. Paul High students carry out the theme, "Picture Perfect." It is evident in all academic and extra-curricular activities. Academically, most students have set high goals and have equally high standards to achieve them. Our sports addicts, cheerleaders, and other various group members have demonstrated over and over that "practice makes perfect." To some it all up,

SPHS students don't quit they reach ultimate perfection!

"Be such a man, and live such a life, that if every man were such as you, and every life a life such as yours, this earth would be God's Paradise."

-Phillip Brooks-

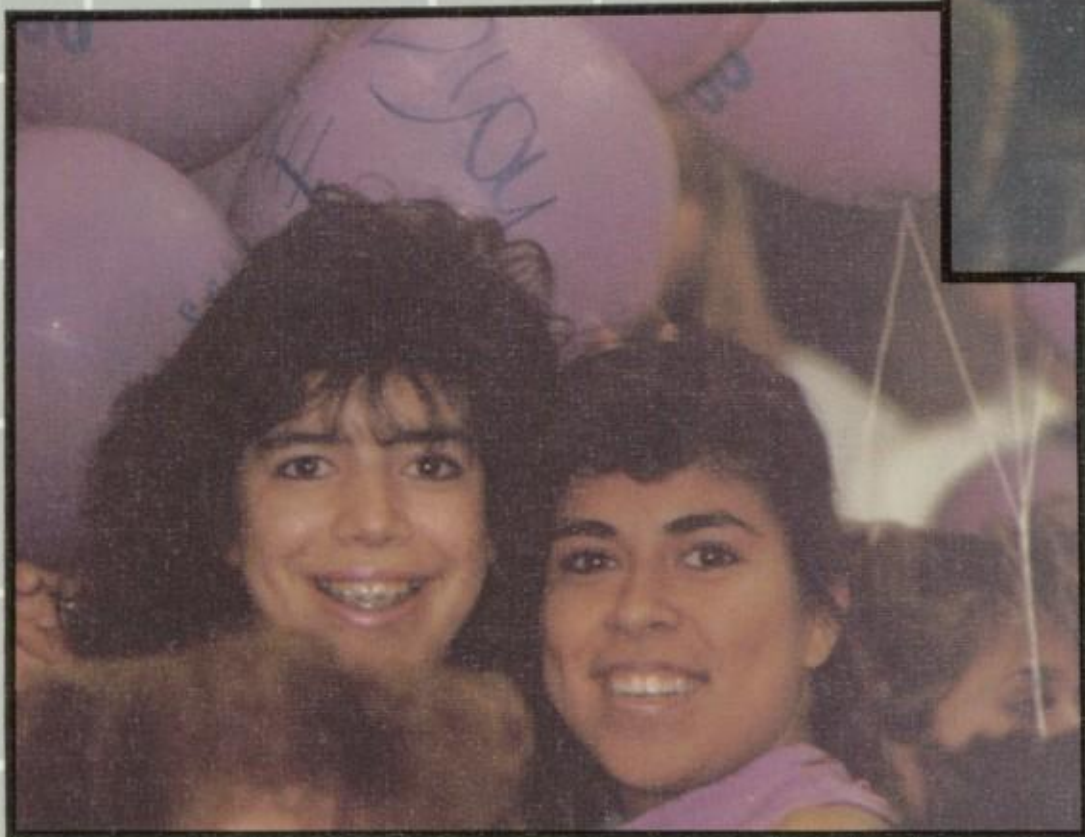

"Do not desire not to be what you are, but desire to be very well what you are."

-Saint Francis De Sales-

I am comfortable around my friend. For reasons not always clear to me, she loves me. She has seen me blunder; she is aware of my annoying self-indulgences, my private habits.

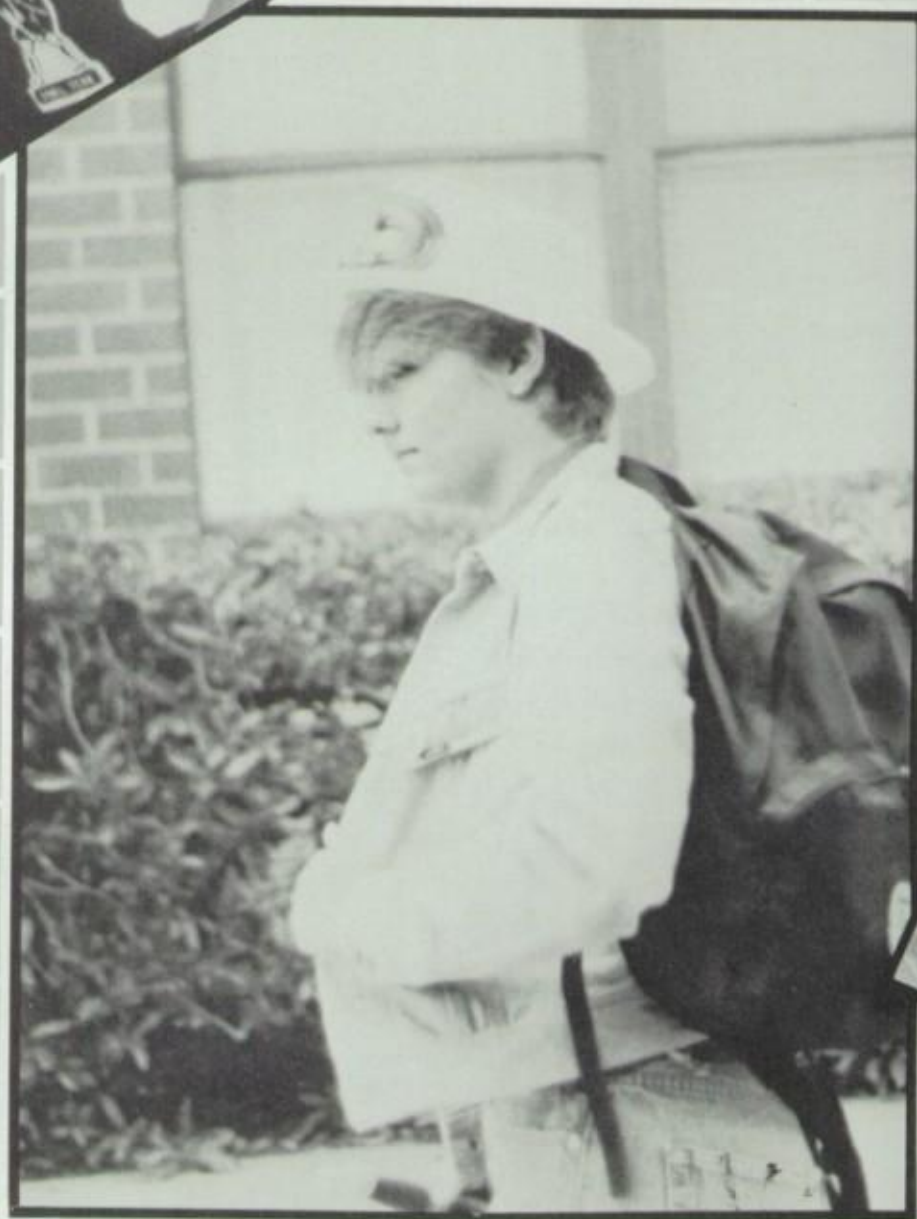

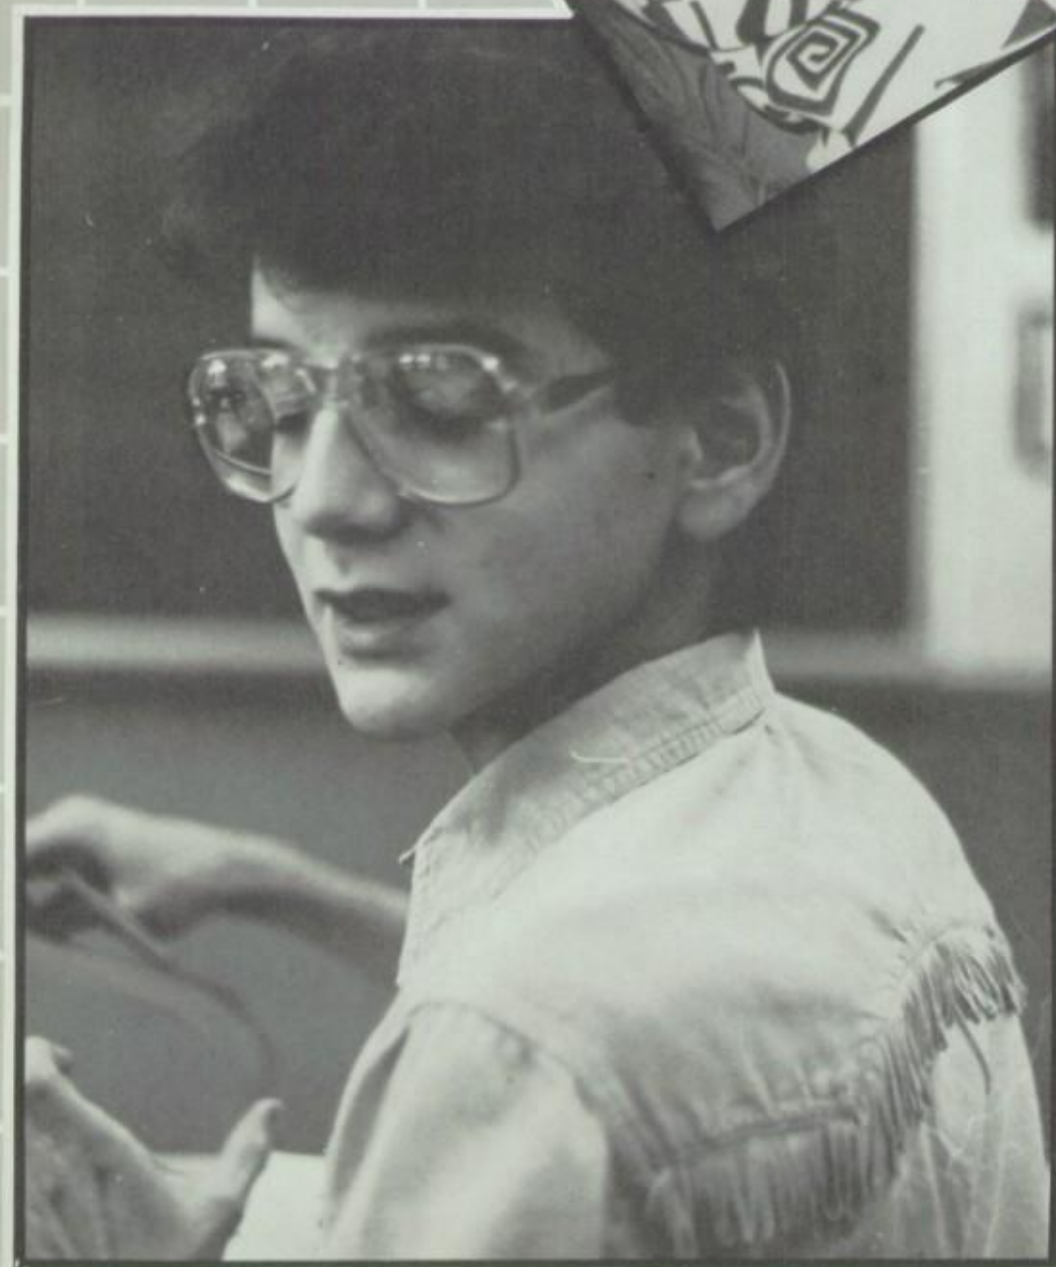

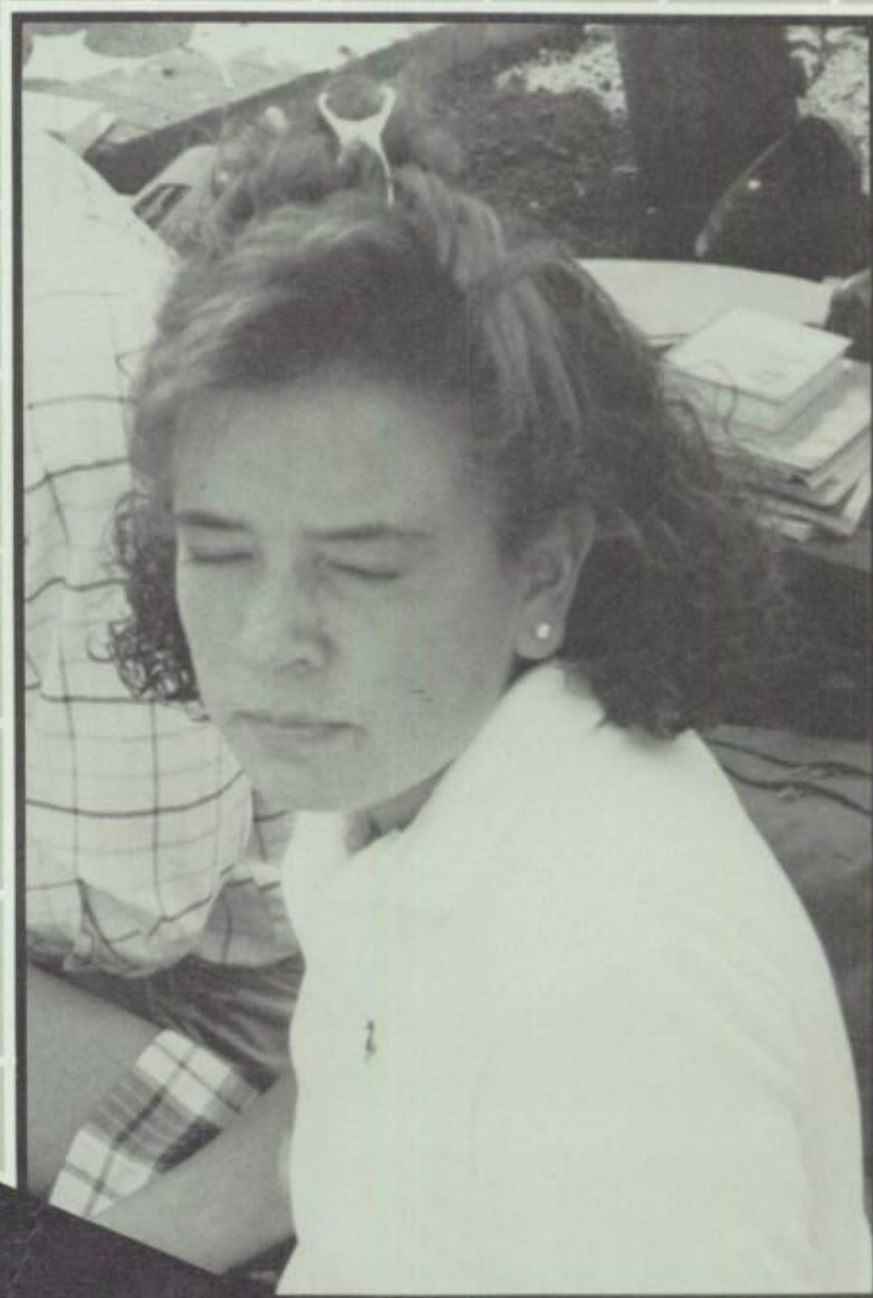

All the things I once thought no one could know about me, she knows. In her presence I have very little to guard against, because she distills me from my words.

We have been together a long time, and now some grace within her can see me even when her eyes are open.
Hugh Prather

MICHELE TORRES

Homecoming Events

THE GAME- The 1986 Homecoming game was won in overwhelming fashion. The score was St. Paul-33, Bishop Montgomery-7. The enthusiasm of the students present was equal to that of the players.

THE HALF TIME SHOW- The ASB did a wonderful job organizing the half-time show (The float was a much better choice than last years' stubborn horse!). As usual, the court looked beautiful. Congratulations were bestowed on Michele Torres after being crowned by last year's queen, Rebecca Rubio. The night's festivities concluded with an elaborate firework presentation.

THE DANCE- The 1986 Homecoming dance was more formal than previous years. Dinner was provided with the dance. It was held at the La Mirada Gateway Inn from 7:00 p.m. to midnight. All present had a delightful evening.

1986 Spirit Week

Day One-Backwards Day

On Monday, students got to show their wacky spirit by wearing their clothes inside out and backwards. They also got to demonstrate their backwards intelligence by trying to make it through classes starting with seventh period and progressing through first. At lunch, there was a backwards relay, where students sat on skateboards, going in reverse, using plungers as moving power, and was won by the seniors. Also there was a musical chairs play-off in which participants had to walk backwards, which was won by the sophomores.

Day Two-Class Feud

Tuesday, Class Feud was the next in line for the week's events, where students played out the famous TV game show "Family Feud". Wearing jeans and jerseys was a pleasure. Mr. Dineen, Mrs. Curren and Mr. Asbra were great hosts for this event. Mr. Asbra really brought out the school spirit! Thanks Mr. Asbra! The overall winners were the seniors.

Day Three-Twin Day

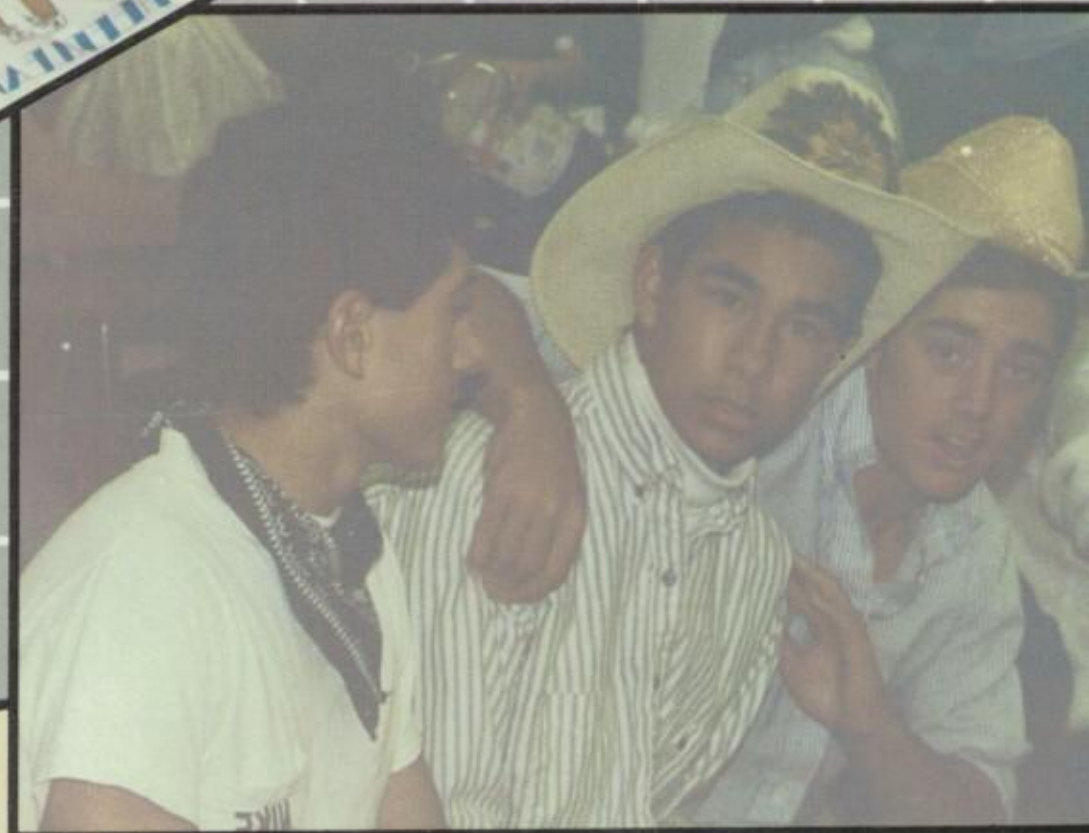

On Wednesday, friends got together and dressed up as twins or triplets. There were even a few quadruplets. During lunch we had relay races with twin participants and the Seniors won. Then there was a sundae eating contest with one twin feeding the other. This contest turned out to be a tie between the sophomores and the seniors, which ended up in a senior victory.

Day Four-Western Day

Thursday was Western Day. All the students dug up their cowboy hats and boots and headed to the St. Paul corral (Yee Hah). Surprisingly the Juniors finally won an event, the root beer chug-a-lug. The seniors won the pony relay. Overall the day was a big success!

Day Five-Color Day

On Friday, Color Day was a "bright" idea that has been carried down through the years. The Seniors wore yellow, Juniors pink, Sophomores purple, and Freshmen green. A really wild rally was held to promote spirit for the upcoming weekend events. And so we leave our multi-colored campus and end "Spirit Week".

Dear Father Gallagher,

On behalf of the Student Body, I would like to welcome you to our St. Paul family. We were all surprised, yet delighted with your addition to the St. Paul community. Your warmth and friendliness has been felt by everyone. Your eagerness and willingness in continuance of unity and tradition is shared by all. St. Paul is very lucky in acquiring such a note-worthy person as you, an individual who with the rest of the student body, voluntarily shares with us the meaning of the school year, tradition, and our future goals.

The 1986-87 year represents something more than just an ordinary school year to the senior class. Though this marks the end of some memorable four years, it is time for you to begin a new era along with the classes to follow. But it is now under your leadership and guidance, that we've all had or have the opportunity of enhancing our education both academically and spiritually. You have also helped us to understand and serve the needs of others, recognize the importance of co-curricular activities, and foster discipline, which are all important elements to our school philosophy. More so, you have made this year a success with your willingness and active cooperation to not only help one group or class, but every individual student. Here we see your dedication and contribution in making the St. Paul community as one family.

Tradition is defined as "the handing down of knowledge, beliefs, and customs from one generation to another." Tradition has always been greatly looked to over the past years. St. Paul values it's beliefs and principles. You have not only achieved in continuing our fundamental traditions, but in refining and initiating others as well. May you continue in upholding and upgrading the prestige given to St. Paul traditions.

A new school year will approach quickly. You will face new people, new ideas, and new challenges. We all thank you for sharing yourself with us in every possible way. And as I speak for the graduating class of 1987, we thank you for your contribution in completing four truly memorable years at St. Paul. We are all honored that you accepted the challenge of not only becoming our school principal, but our leader and friend as well. It was a great honor to work with such a unique individual as you. I leave you with many thanks and best of luck always.

Sincerely yours,

Alex Flores
ASB President

With the new school year, 365 students joined St. Paul's community. Like the rest of us, they came here with various hopes and dreams and differing expectations. Our Faculty has kept St. Paul's moving in a direction that combined our traditions and spirit with the opportunity to learn and grow in such a way that we could make our dreams come to realization. They encouraged us to get involved and then supported us by becoming involved themselves, whether it was devising a new method of learning, moderating a club or activity, or coaching a sport. The Faculty this year have shown that they can be more than teachers to their students.

Dances

The first dance of the year was the "Freshman Welcome Dance." The Freshmen were very enthused. It gave them a chance to mingle and get to know their new family. The fun and excitement was a preview of all the dances to follow.

The dances next in line seemed to be more important to the upperclassmen. The Christmas and Sadie Hawkins dances were very casual, while Homecoming, Girl's League and the Prom were the most in elegance. St. Paul dances gave all students a chance to loosen up and take a break from the day to day grind.

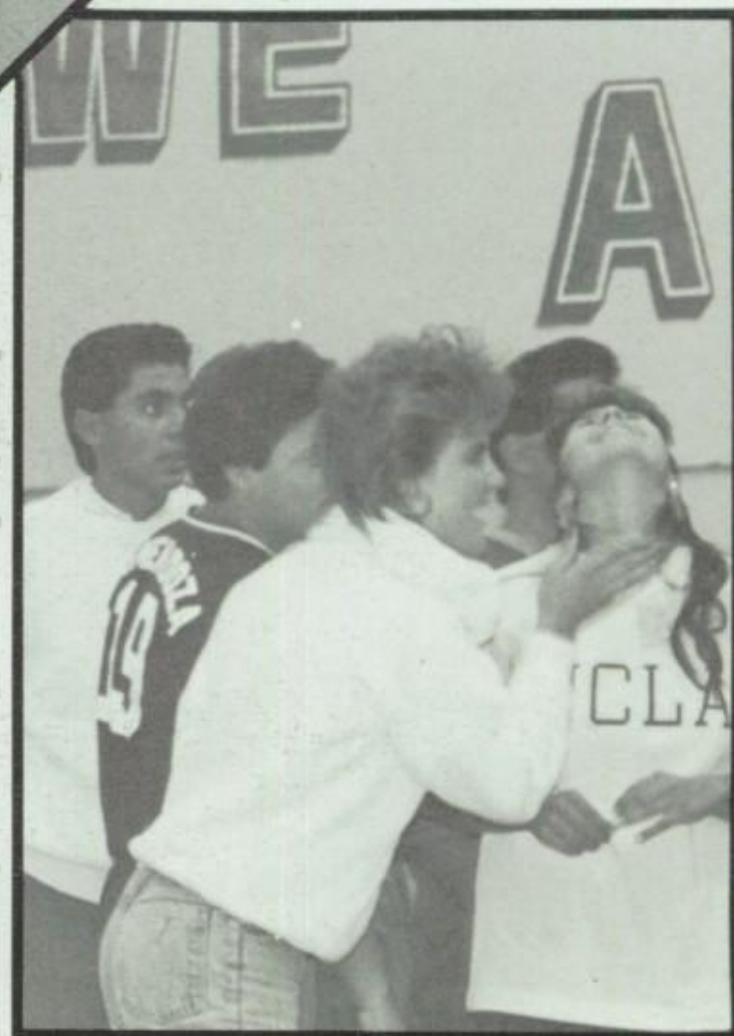

The craziness of the '86-87 rallies added to the spirit of St. Paul and Swordsmen pride. The St. Paul cheerleaders added a lot of pep to the rallies. They should be commended on their excellent job of organizing rallies. Their cheers were a successful blend of traditional and new ideas. Mr. Asbra was very successful in inspiring the St. Paul family.

WHEN DID WE SEE YOU HUNGRY, LORD?
MATTHEW 25

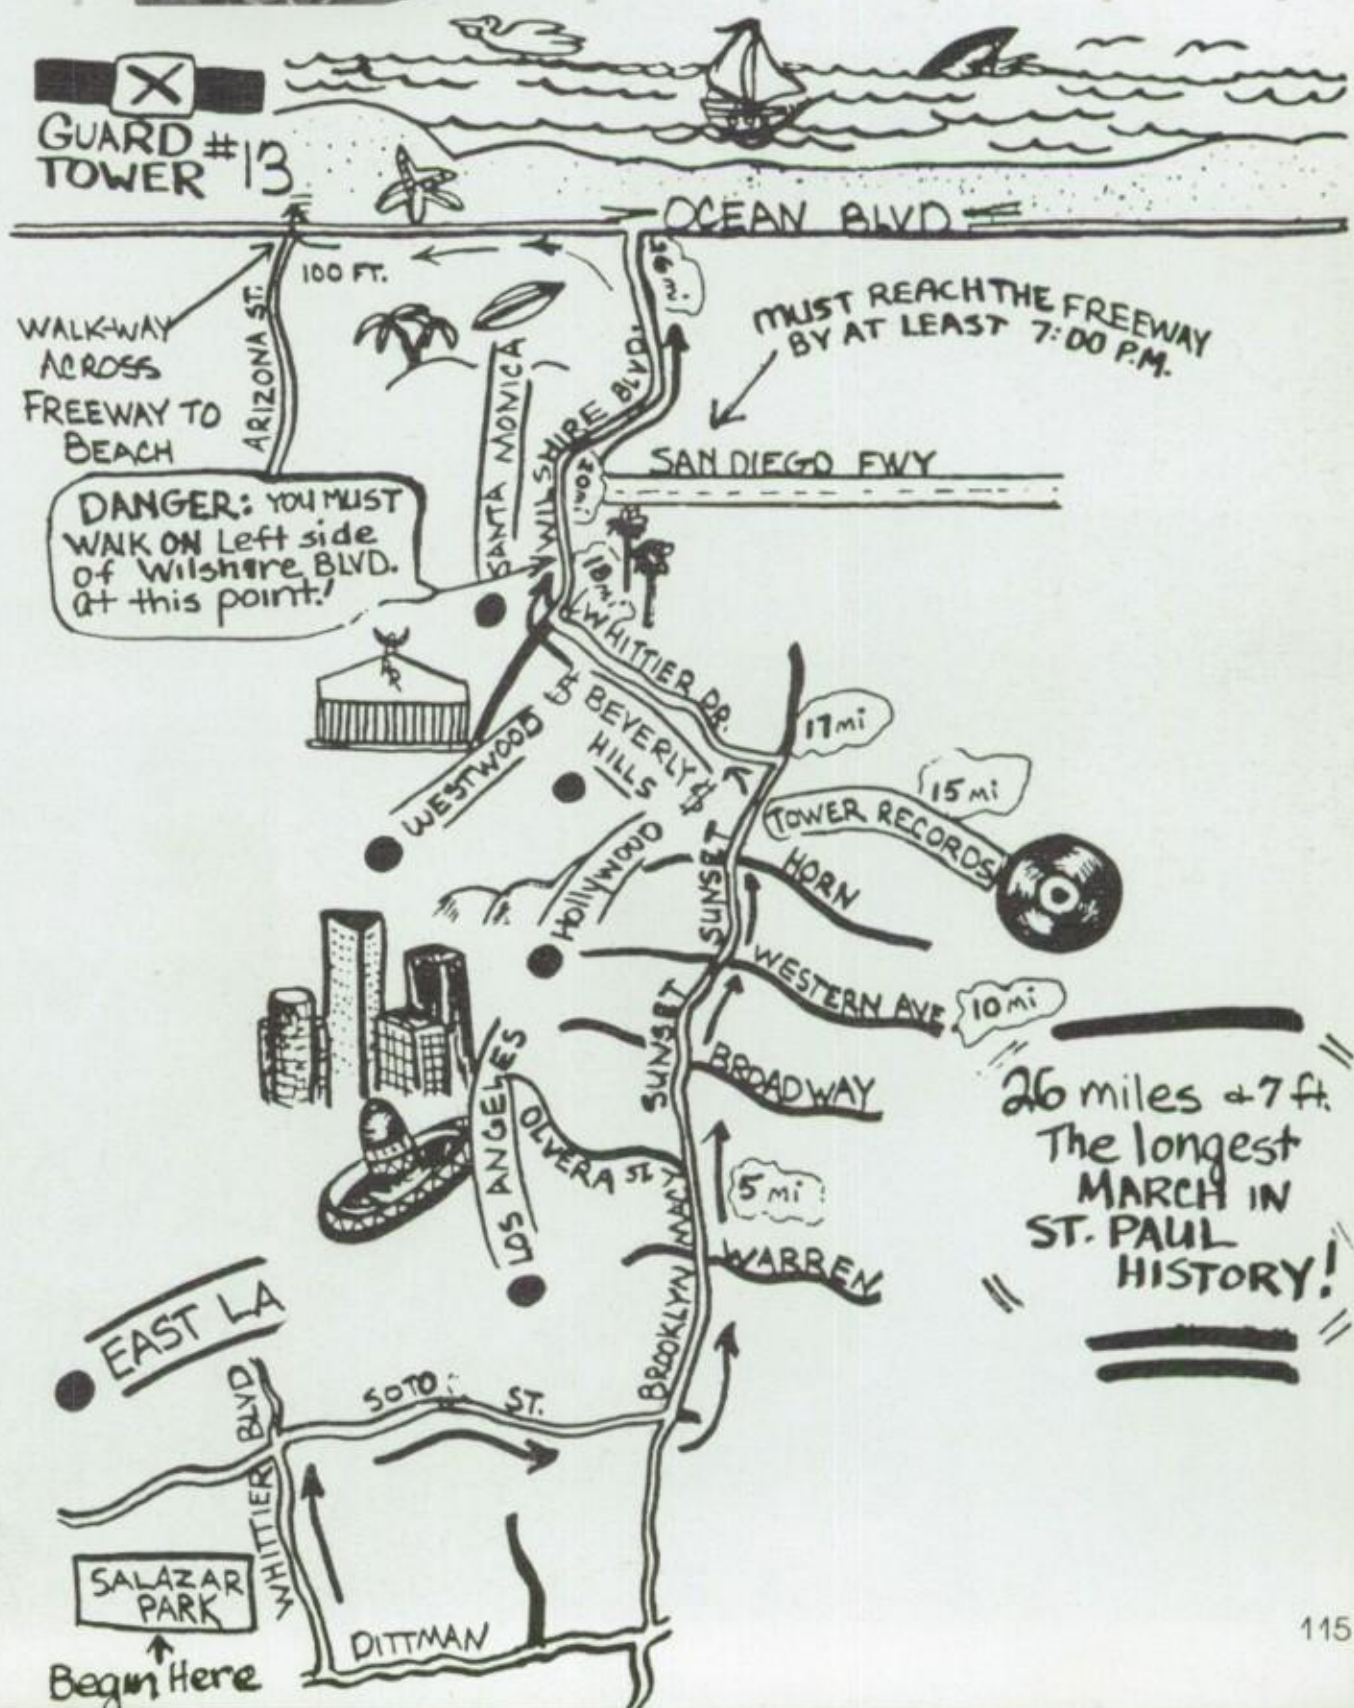

March For Hunger

The 14th annual St. Paul March For Hunger was held on Sunday, Dec. 7, 1986. Approximately 750 students, parents, and faculty met at 6:00 a.m. in the St. Paul Gym. Inside the gym one could feel the expectations of the marchers. After the peaceful mass, the marchers boarded the 13 buses provided by the \$2.00 entry fee. At about 8:30 a.m., from Salazar Park, the marchers started their journey of 26 miles, 7 feet, to Santa Monica Beach.

The purpose of their long march was in support of the Los Angeles Catholic Worker Hospitality Kitchen. All proceeds from the students collections and pledges will go to help finance the expenses of the soup kitchen. The money will help pay for food costs which feed hundreds a day. Without this kitchen, many of the underprivileged who live on skid row would go without any food at all.

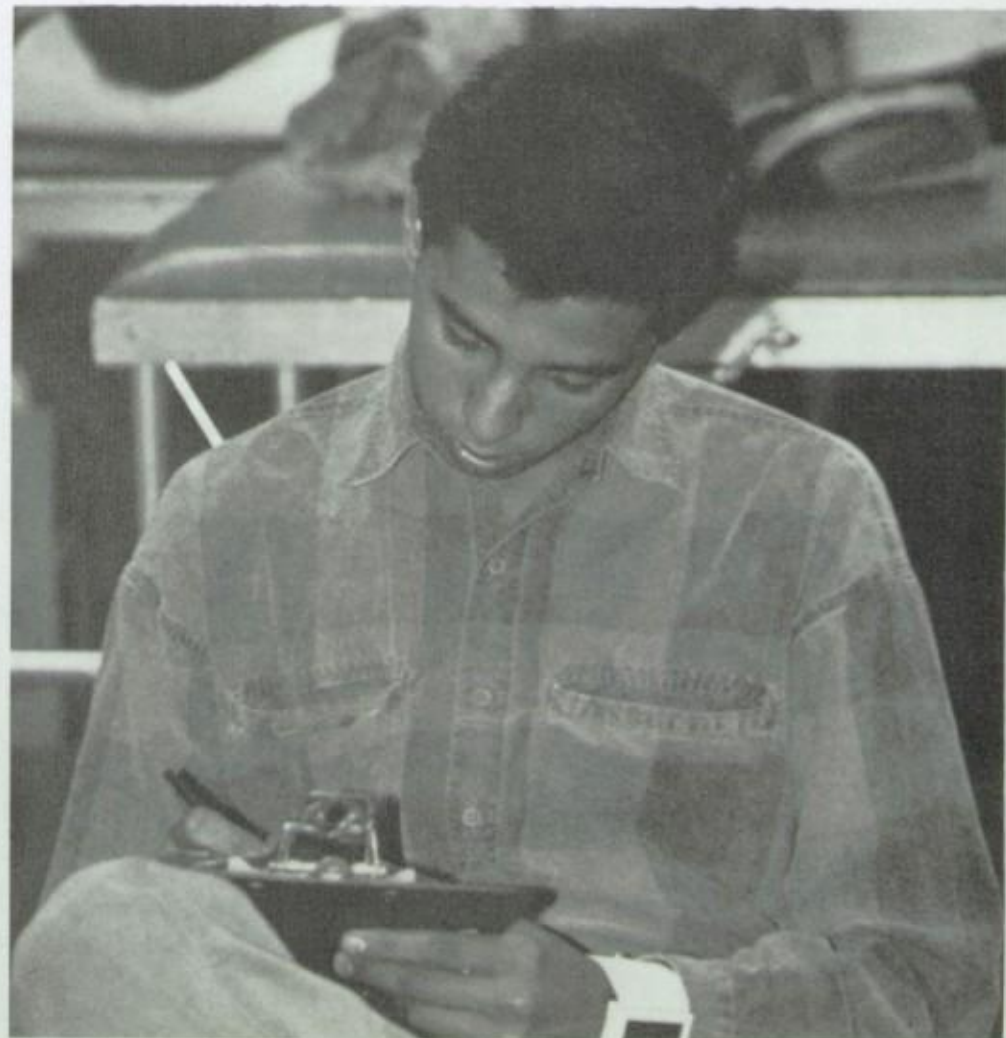

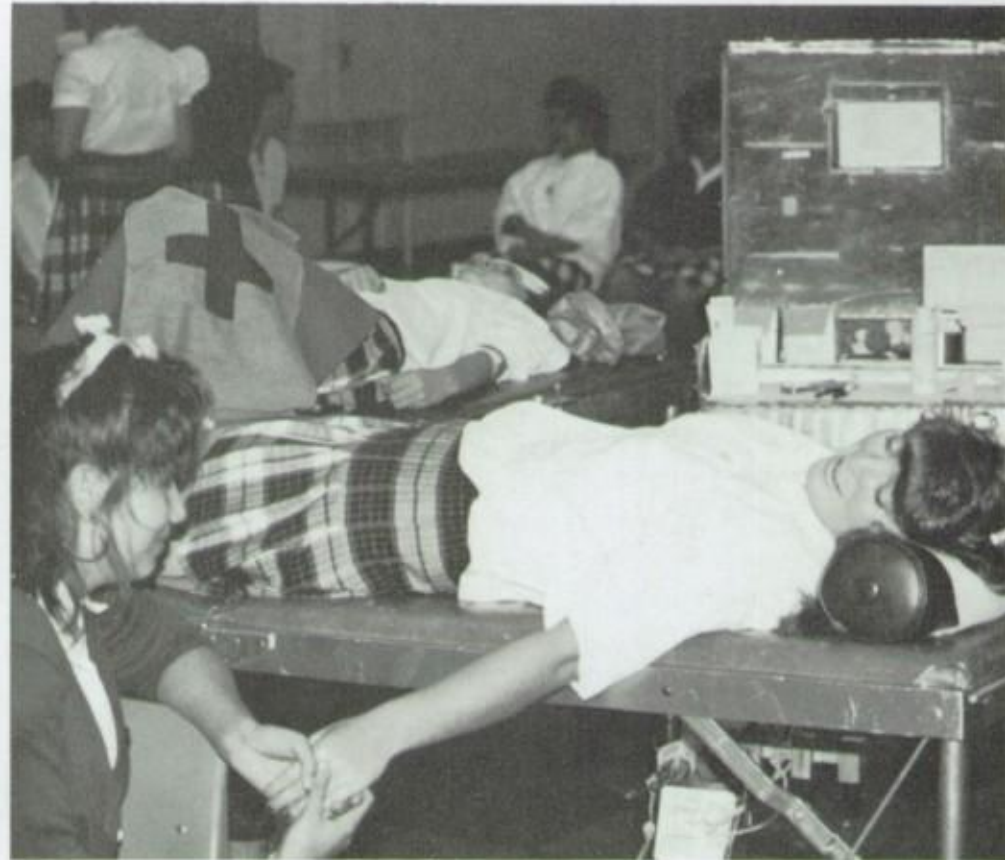

The sense of unity that one felt on the march was proven by the sight of everybody helping each other. The sight of people helping each other walk, or seeing someone push another in a shopping cart showed more-over the determination of all to make it the whole 26 miles. Back at St. Paul, all seemed to have a sense of accomplishment and pride which filled the campus throughout. Though many complained of aches and pains, all agreed that this experience was worth more than any agony they went through. For this reason, which strongly shows the unity of the St. Paul family, we can all be proud to be attending St. Paul High School.

Blood Drive

This year's Annual Blood Drive was held on October 29, 1986, followed by another in May. With the students' enthusiasm, the first Blood Drive was able to collect 64 units of blood, therefore making it the most successful one in the history of St. Paul's winter Blood Drives. Even though the Red Cross nurses and NHS members worked steadily throughout the day, the large amount of students created up to an hour wait. Yet not one student seemed to lose enthusiasm for this worthy cause.

The atmosphere in the gym was one of determination, although murmurs could be heard like "Does it hurt?" Yet still the spirit of the cause reigned strong. Although some felt weak and some became dizzy all agreed on that despite the minor discomfort, it was well worth it if it could possibly mean helping another, which shows that in time of need that the tradition of unity within the St. Paul family still exist and is going strong.

1986-87 CSF And NHS Members

CSF

The California Scholarship Federation is an organization designed to give recognition to those students who achieve and maintain academic excellence in their course of studies. St. Paul boasts an average semester membership in this elite organization of approximately 90 students. Membership is granted on a per semester basis to those students earning an 'A' grade in at least three substantially demanding academic courses while maintaining at least 'B' quality in all other course work. It is likely that the Valedictorian and Salutatorian for the Class of '87 will be chosen from these members.

Members of the National Honor Society are selected for their demonstration of excellence in the four areas of Character, Scholarship, Leadership,

and Service. Members are nominated for earning a cumulative G.P.A. of at least 3.0 and are then evaluated on the other three qualities before membership is granted. NHS members are a valuable resource to the St. Paul community and can be found assisting at many school events including Parent/Teacher Conference Night, Eighth Grade Parents' Night and the Eighth Grade Entrance Examinations. Many members are volunteers within their local parish or community. NHS members, as an example of their servicing spirit, in cooperation with the Rio Hondo Chapter of the American Red Cross, also sponsor two Blood Drives which take place in October and May.

Miss Dahnke is the moderator/advisor for both of these organizations.

Field Trips

Many students feel that they need to have days away from the school campus every once in a while. Field trips give students the change of atmosphere they desire and at the same time give them an opportunity to learn what cannot be taught in the classroom. Students taking Art classes are able to learn about famous artists while viewing their masterpieces during trips to an Art Museum. Through this, they learn to appreciate the Art pieces in ways only possible by seeing them up close and in detail.

PHILIPPINES: A NEW BEGINNING

After 20 years under dictatorial rule of Ferdinand Marcos, the Philippines once again is experiencing a sense of freedom-because of one woman, Corazon Aquino, and her quest for justice and liberty in the country where she grew up.

Mrs. Aquino's decision to run for the Presidency began after the tragic death of her husband Benigno Aquino in 1983, where he was assassinated at the Manila Int. Airport after returning from exile. After this incident, she was determined to continue what her husband had started many years ago, which was ridding the Philippines of the autocratic rule of Ferdinand Marcos. And along with "People Power" Mrs. Aquino has successfully led the people to a new beginning.

Yet after her victorious win over Marcos, her job is just getting started. After Marcos left the Philippines his loyalist group felt he would return someday. And because of this they planned an attempted coup, but because of the military, their plans were soon dispersed. Also, Cory had to deal with constructing a new constitution for the government, in which she urged the people to give her all the support they could. There may be a lot of work ahead for President Aquino, but her goal and concern for her country would definitely explain why she is the "Woman of the Year."

Terry Waite, who went back to Lebanon to negotiate the release of the four hostages appears to be taken hostage himself. He has not been seen or heard from since late January of this year.

There is continued guerilla-warfare in Nicaragua, where the Contras, who are supported by the U.S. government financially and militarily, are fighting to topple the Sandanista government headed by President Daniel Ortega. The financial aid to the Contras, which was approved by Congress, appeared to be causing problems with the Reagan administration as a consequence of the Iran Arms sale scandal, which is the current issue being dealt with at this moment.

This year marks the tragic and sudden incident at Chernobyl, where a reactor exploded therefore causing radiation to spread in most parts of Russia. The U.S. was upset at the Russian government for not immediately informing them of the crisis, but Russia claimed the U.S. was in no danger from the radiation.

NATIONAL

Current low interest rates has been causing a flurry of activities at Wall Street. The climb in the Dow Jones indicators has reached an all time mark of 2,250 points and has stayed at that level for two weeks. This is an indication that the U.S. Stock Market is very bullish.

There are a lot of uncertainties about the new tax laws and the I.R.S. has yet to come up with specific guidelines that maybe understandable by the tax payers. A few things seem to be certain about the new tax laws; it eliminated several tax shelters especially for real estate investors; it eliminates also the deduction of interests on consumer loans; it modified the basis for deductions of I.R.A. contributions; these are just to name a few changes. On the positive side, the new tax laws would only require three income tax brackets and lower tax rates as compared to the existing tax structures.

The budget deficit has reached the trillion mark during the last Fiscal year. Contributing substantially to this huge deficit was the large budget allocated for defense. In order to reverse the trend of deficit spending Congress passed the Gramm-Redman law. Beginning with the current Fiscal year and every year thereafter, the deficit would have to be reduced by about 120 billion dollars a year.

The President of the United States, Ronald Reagan, was stricken with cancer this year, mainly in his prostate and colon. Doctors examined a few polyps and found them to be negative, therefore Reagan was said to be in good physical condition.

SCHOOL

Chemistry teacher by day, Game show contestant by night: Mr. Riordan battled Lady Luck on the game show Card Sharks for four fun-filled nights. His witty nature brought enjoyable entertainment and his winnings totaled \$8,700 in cash and a brand new Jeep Rangler.

After many long years at St. Paul High, this year marked the sad departure of Father Carroll and Mrs. Hemme. Their hard work and dedication is what made St. Paul what it is today. Their positions are now in the capable hands of Father Gallagher and Ms. Barrass who will continue the tradition of bringing St. Paul to new heights.

The untimely death of Christopher Hurtado was a shock to his family and friends at St. Paul. He touched the lives of us all and brought St. Paul to victory in many ways. His death brought the St. Paul family together and made us realize the special closeness that we all share with one another.

AMERICA'S CUP

The United States has once again regained the America's Cup from the Australians, thanks to Dennis Conner and the crew of "Stars and Stripes." The U.S. had an easy victory by winning four straight races out of seven. Although they did experience some slight complications along the way, their courage and determination kept them going. Once the "Stars and Stripes" had achieved victory, they knew all their hard work had paid off and it would be another four years before the Aussies could try again.

SUPERBOWL XXI

It was the game that everyone had been waiting for, two of the best teams in football were battling for the championship in the Rose Bowl. It was between the N.Y. Giants and the Denver Broncos, but in the end the Giants prevailed with the victory beating Denver. Actually, it was a battle of quarterbacks, as two of the best in the NFL faced off against each other-Phil Simms from the N.Y. Giants and John Elway from the Denver Broncos. It was a good game for both players, but even a more spectacular one for Simms as he was chosen the Most Valuable Player in the SUPERBOWL.

WORLD SERIES

The World series, once again, proved to be filled with intensity, excitement, and glory as the N.Y. Mets and the Boston Red Sox fought for the championship. The pitchers on both sides were key factors in the Series, not to mention the strong hitting and defensive plays. The Red Sox had an opportunity to win an early victory, but the Mets wouldn't let them have it. As a result, the Series was tied three a piece, forcing them to have a final and decisive seventh game. Thanks to excellent pitching and concise hitting, the N.Y. Mets became the true champions of baseball.

LOCAL

Locally, an Aeromexico airliner, flight 456, coming from Tijuana, Mexico on its way to the Los Angeles Int. Airport, collided with a private owned plane that entered the space restricted for commercial airplanes only. The Aeromexico airliner crashed in the city of Cerritos and almost destroyed an entire neighborhood block, luckily it was a holiday where most people left their homes. In all, a total of more than eighty people were killed.

A major incident that had concerned many parents and students was the uproar that the teachers have conjured up this year. Teachers demands for a salary increase were not met therefore causing many of them to be unhappy about their jobs. They registered their protest to the School Board and then upstaged a one day strike, and these included teachers from the L.A. City schools, the Compton District, and the Inglewood District.

STATE

It was an unstable year for RTD bus drivers as bus accidents increased from previous years. To minimize on accidents, RTD has accepted a new drug testing program, in which driver's would be tested for usage of certain types of drugs.

Los Angeles has been struck with the most attention lately, as issues of building a prison and giving shelter to the homeless have affected the members of society. Plans have been made to make another prison to accomodate prisoners from the overcrowded prison, but several people opposed the idea because they felt it was too close to the residential area. Also the homeless people in the city have increased, so shelters such as Tent City were built in order to help the homeless.

In the race for governor of California, George Dukemajian once again defeated Tom Bradley in an almost landslide victory, but Bradley claims he will run again for governor in the next election.

This year marks the historical flight of VOYAGER, the first plane to make a round-the-world flight without stopping and without refueling-which is also a first in atmospheric aviation. The mission came about through the faith of three principles: the two pilots, Dick Rutan and Jeana Yeager; and Rutan's brother Burt, who designed the plane. The plane's shell was made of a quarter-inch-thick panels of Hexcel honeycomb, a resin-coated, paper like polymer covered with graphite fibers embedded in epoxy. The wings spanned 111 ft. and are designed to flap some 30 ft. The cabin was 2 ft. wide and 7½ ft. long. Once in the air, the VOYAGER averaged 110 miles per hour and continued to do so for 10 days. The project began in the Mojave Airport and was launched at Edwards Airforce Base, during the launch portions were taken off both wings but the damage was not crucial, so the mission continued. It sailed over the Pacific, over Africa, and into the South Atlantic. They did experience rough weather from the southern Pacific to Central Africa, but they managed to maneuver around it. It took VOYAGER ten days to circle the globe but it was the fastest time in history, therefore making it one of the most captivating and memorable events of the year.

This year's ASB has showed great improvement. An ASB homeroom was established where all student body officers held meetings and kept everyone informed on the latest news. ASB did an excellent job putting on the Big Sis/Little Sis Picnic, balloon grams, the Homecoming Dance, Girls' League, a magic show, a Camfel Multi-Media Production "Everyday Heroes", The Senior Mothers' Tea, The Father/Daughter Dance and Prom.

Sister Cities Club

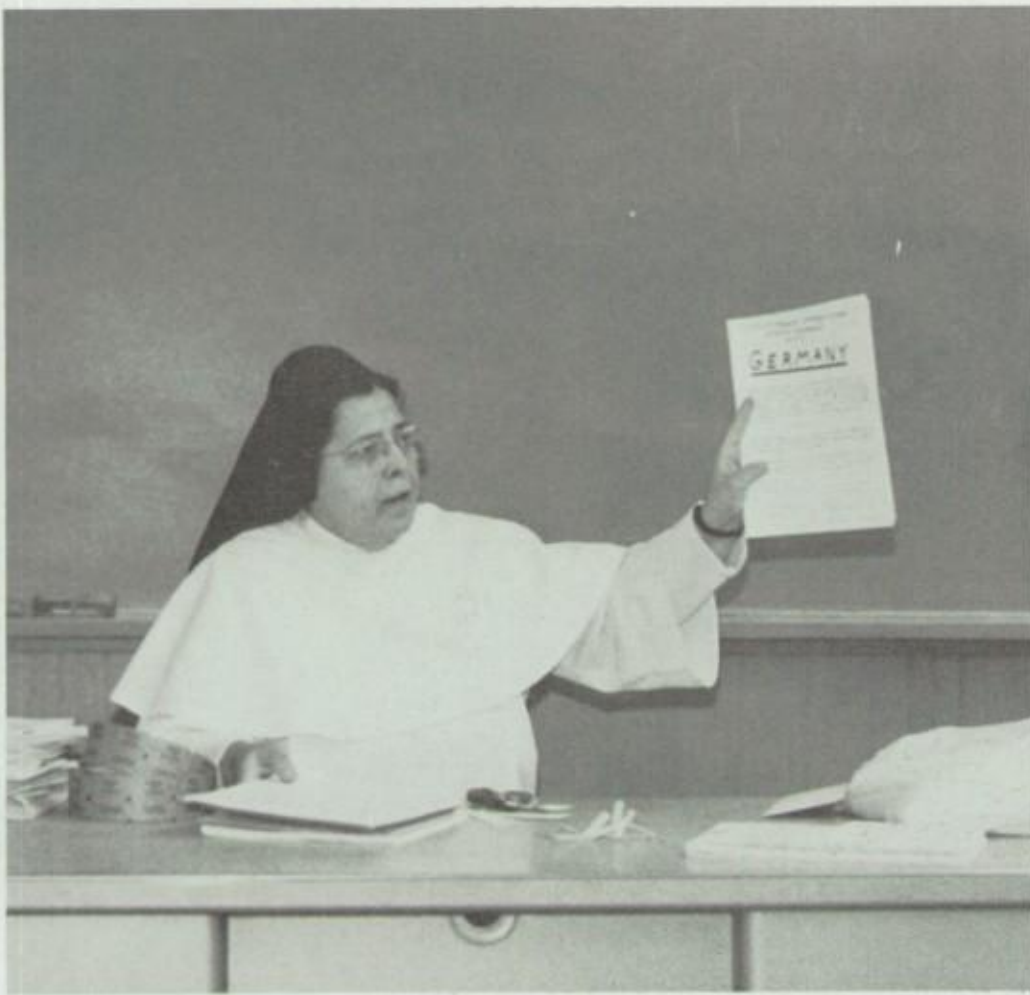

The main goal of the Sister Cities Club is to achieve world peace through people to people exchanges. By making friendships all over the world we hope to accomplish this. Under the supervision of Sr. Therese Marie the club had many fund-raisers. Sister Cities Club sold raffle tickets for a huge panda bear, had bake sales, sold Valentine grams, saw a taping of a game show, and sold M & M candies.

Once a month, three of the neighboring schools: St. Paul, Pioneer, and Santa Fe High got together to discuss and plan the upcoming events. These events included the Sister Cities International Conference in July and a German exchange program which started this year. We were fortunate to have students attend both events.

The Sister Cities committee established a new relationship with Tirschenreuth, Germany. In July, students went to Tirschenreuth for four weeks. The experience they had made them appreciate the German language, culture, and people. Also in July, Pamela Larson, Eric Larson, Maria Perez, Michelle Payan and Cynthia Ortega attended the Sister Cities International Conference. It was held in Los Angeles and the students attended many interesting workshops throughout the week. They meet people from all over the world. Among those who attended were people from Japan, Rhode Island and Australia. By attending these conferences its the first step in achieving peace through people. The first step in achieving peace has been established.

St. Paul Students Explore The Old World

After two long years of planning and attending meetings, the Sister Cities Organization of Santa Fe Springs was able to have their first student exchange program with Tirschenreuth, Germany. They were able to send twelve students from July 1-28, 1986. The stay consisted of visiting many castles, crystal and glass factories, a trip to Munich, the Austrian Alps, Weiden, Regensburg and visiting Flossenburg, a concentration camp. Each student also attended school during their stay. They attended many English classes and had the chance to help the German students with their English. In Germany, it is mandatory for each student to learn English.

The students who went on the exchange were Ann Marie Larson, Mike Gonzales, Claudette Fremgen, Chris Zevallos, Lucy Borjan and Two St. Paul graduates; Lisa Larson and Angie Perez. Santa Fe High and Pioneer High also had five students who attended. Each student lived with a host family for four weeks and learned so many new things. They learned about the German culture, the language and the form of government.

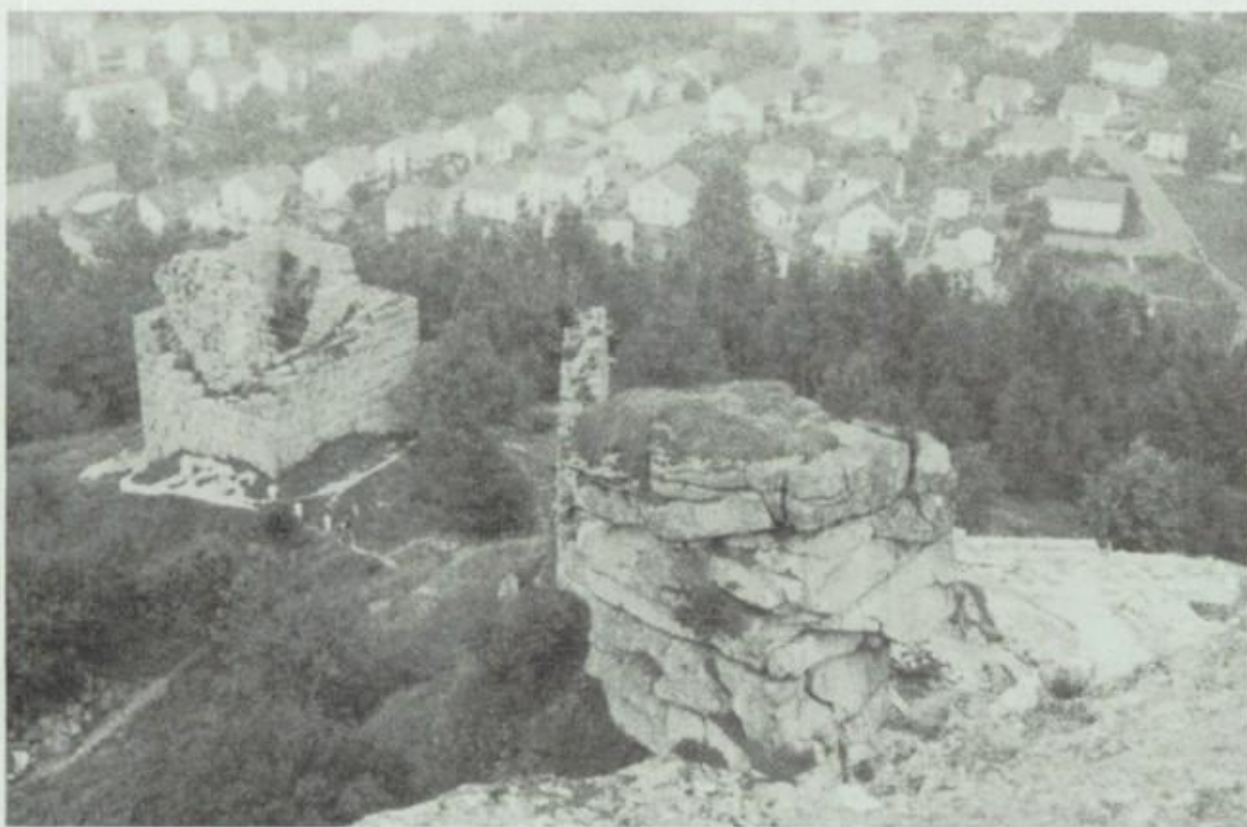

During August 5 to September 2, 1986, seventeen German students came here. They went to a Kenny Loggins and Ray Charles concert, Universal Studios, Disneyland, the San Diego Zoo and the Museum of Science and Industry. They spent a weekend in San Francisco riding the cable cars and touring various places.

Each student will never forget their trip in Germany or the United States. By having student exchanges it's the first step in achieving world peace.

Drama Club Scrapbook

The Drama Club performed two excellent productions, You Can't Take It With You and Cotton Patch Gospel. They spent many days and long hours rehearsing. The St. Paul students did a wonderful job putting these productions together. They showed true St. Paul family tradition by inspiring each other to work harder and keep going. With the guidance of Mr. Nelson as their advisor, each student revealed their hidden talents and came through as talented actors and actresses. The Drama Club overcame many obstacles and proved that practice can make perfect.

Varsity Band

This year's band, although smaller than last year's, still managed to give the enthusiasm and spirit of a full-sized conducted orchestra. They made their presence known in the football games by using their unified determination, not to let the spirit of ST. PAUL BAND die. This year's band, which for the eleventh year was led by the artistry of Mr. Ted Clark, also managed to put together fine performances at St. Paul's Annual Winter and Spring concerts.

Although this year's band was much smaller than they had expected, they refused to let their size be a major hinderance. The remaining members were still full of spirit, which has held band together even through rough times weathered yet another year. The newest editions to band also helped to make this year's band successful. Even though small in numbers, this year's band was able to overcome a mountain of obstacles as well as the usual butterflies.

In all, this year's 1986-87 school band showed the guts and determination which gave them the success which they well deserved and worked so hard for. This year's edition also gave hope to next year's band, that despite what numbers they might consist of, that if they work hard enough, then they can achieve any goal that they set out for. Which is what the tradition of St. Paul spirit is and always will be about.

Plays On

1986-87 St. Paul Speech Team

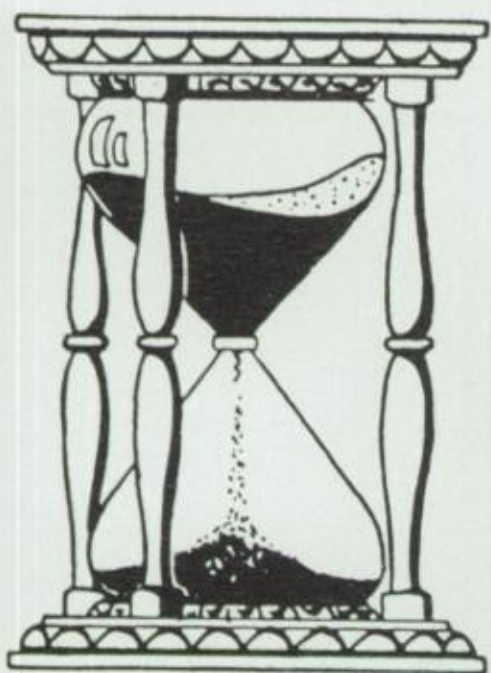

A quiet, unassuming student walks the seemingly empty 500 hallway. Suddenly, he hears shrieks, laughter, screams and cries from the end of the building. Peering in the door to room 508 he witnesses a strange scene. One student addresses a small group of empty desks, hypnotically stating, "I am a seagull." Another student screams to the window, "It was the biggest dang thing I've ever seen." A third student berates the wall demanding, "I want you to come home." Sure that he has stumbled onto St. Paul's hidden looney fringe, he quickly retreats.

But, we are left to ask, "Who is this seemingly strange group of individuals?" They are the members of the St. Paul Forensic Association - a fancy way of saying the Speech Team.

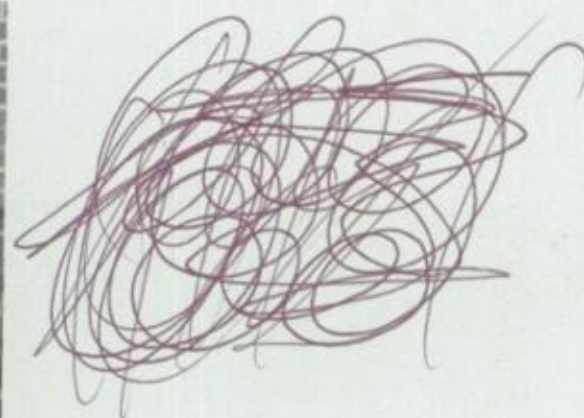

So, what is a Speech Team? This hearty group of individuals gathers an average of two out of four weekends each month, well before sun-up to travel to exciting locations such as Alhambra, La Canada, Long Beach, and La Verne to match wits and voices with students from other schools in contests of public speak-

ing. The St. Paul Speech Team is a member of the National Forensic League, the California High School Speech Association, and the Southern California Debate League. In addition to competing in tournaments sponsored by these organizations, the team competes in invitationals and scholarship tournaments.

Although the St. Paul Speech Team started the year with only one Varsity Speaker in a squad of 26 members, the team has done exceptionally well in both Novice and Varsity competitions. St. Paul's win/elimination breaking record averages about 90%. Highlights for the year included the team's 4th place award for Sweepstakes at the SCDL Fall Varsity Tournament (accomplished by a Novice Squad), a novice Tournament at which 2 of the 3 trophies awarded went to St. Paul, St. Paul's hosting of not one but two tournaments, an increase in student memberships in the NFL by 20 degrees, a branching into the Chapman College Shakespeare Festival and Student Congress, and St. Paul becoming eligible to send students to the District Qualifying Tournament for the National Championship.

SPEECH TEAM: Renee Romero, Mike Pena, Mark Mulholland, Sean Guarino, Denise Baker, Sheila Bernus, Maria Macaluso, Karen Artavia, Elva Torres, Claudette Fremgen, Daisy Resurreccion, Margaret Wahab, Addie Vangeloff, Michelle Ruiz, Jill Niemela, Silvia Vasquez, Donna Nahas, Margaret Simonian, Tonya Wilmont, Michelle Padilla, Julie Moreno, Julie De Vaere, and Lianne Maldonado.

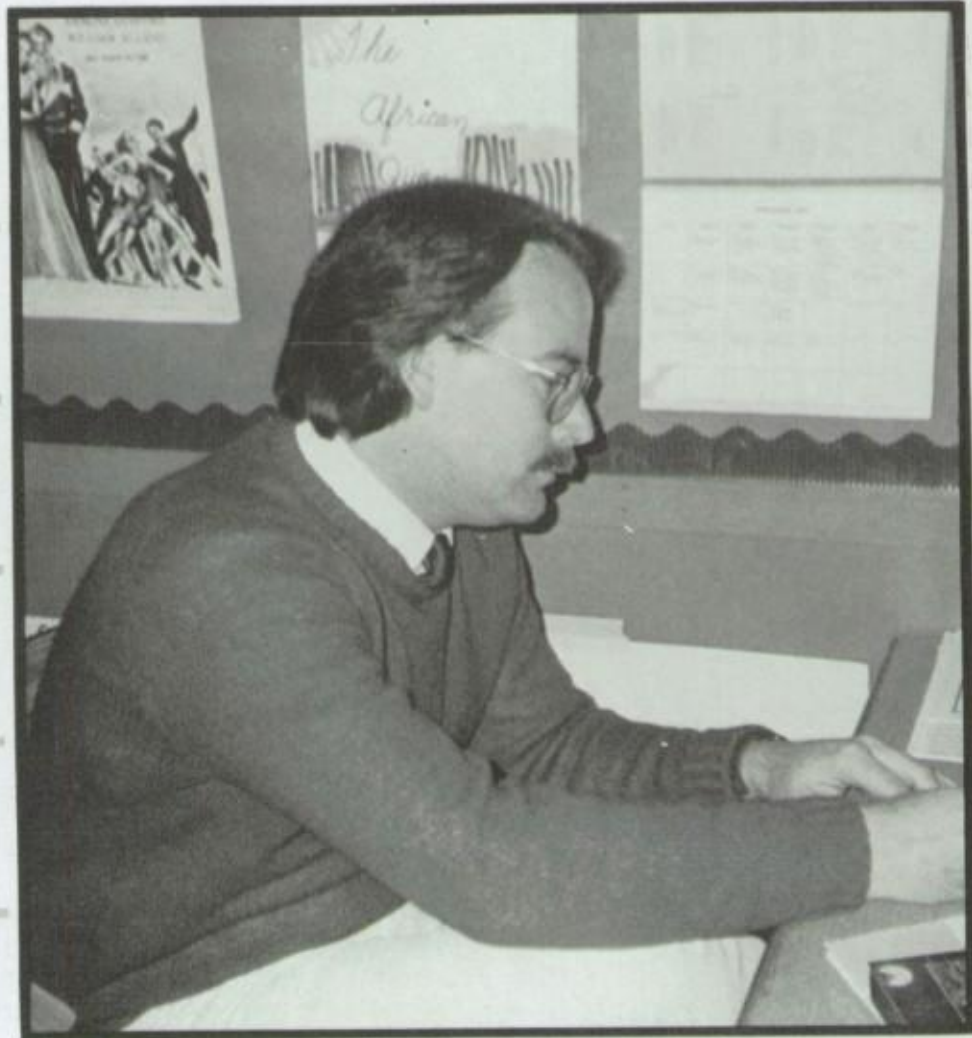

Two-Edged Sword Staff

Each year, a group of talented young writers band together in the true spirit of high school journalism-learning and fun-to bring forth a publication that informs and entertains the students and faculty of St. Paul. They possess a wide range of talents, monthly contributing cover stories, editorials, features, and sports articles. They call themselves the newspaper staff.

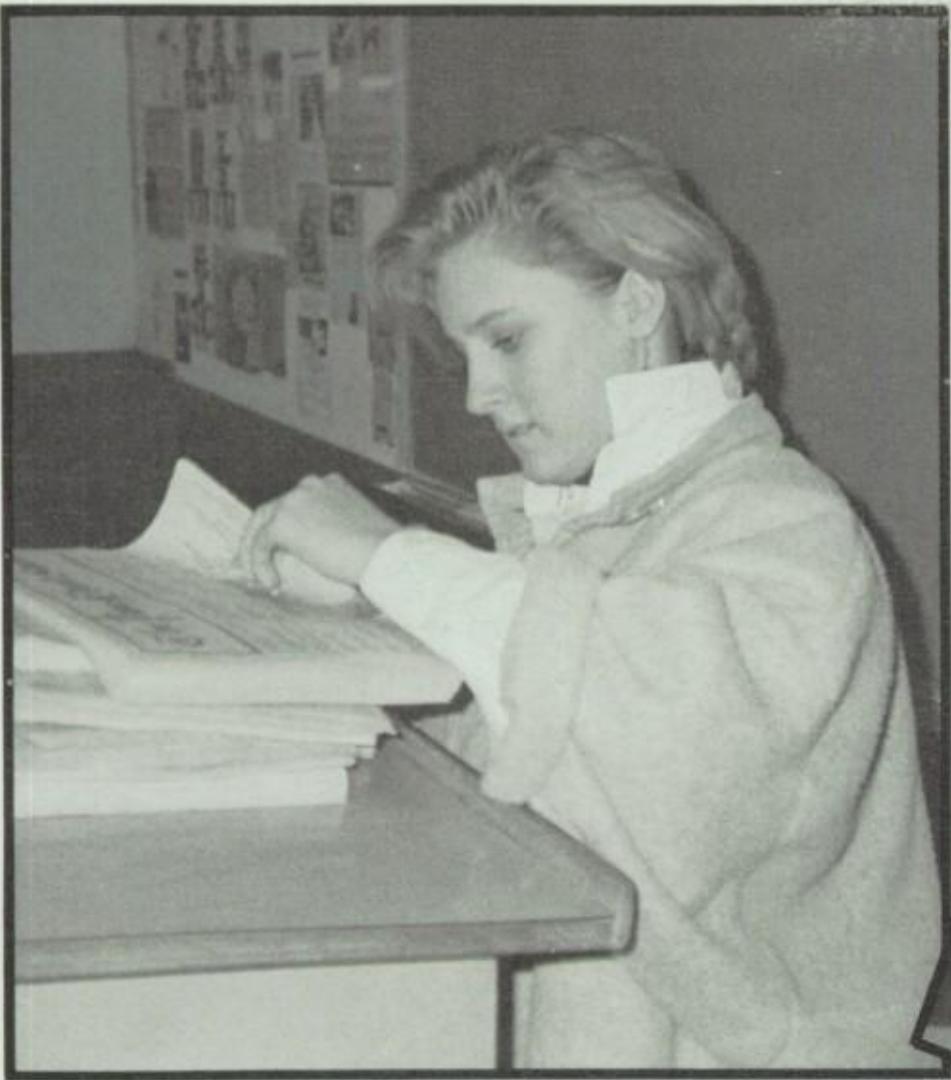

"The Two-Edged Sword" was, for the third consecutive year, in the capable and expert hands of moderator Mr. Michael Moore, who was continually inspired and motivated by veteran co-editors Margaret Ann Simonian and Margaret Elysia Wahab. These three, along with page editors Cathy Romero, Walter Robles, and Melissa Rifino, cut and pasted articles frantically to make deadlines each month. Room 409 became a haven for editors and staff writers alike, bearing witness to the periodical arrival and departure of mile-high stacks of newspapers, including the rather controversial October issue that never saw the light of day.

We spilled blood, proofed galleys, killed space, and fought constant battles with one another. Through it all, though, a spirit of camaraderie flourished, making our jobs more exciting and rewarding.

The best way to sum up this years work on the yearbook is by using the words of the staff members.

After my four years in yearbook, I feel I have accomplished memories that I will always remember. Yearbook is a lot of work but when you really think about it-getting to know my staff made all the work worthwhile. Mr. Rocha thanks for everything and to my staff you're the BEST!!

Ann Marie Larson

It's the best way to end a long boring school day (do I get an "A" now?)

Joel Vizarra

It was the best class I ever had. (Hey, Mr. Rocha where's my fifty bucks?)

Greg LaValle

I need a drink!!

Paul Levario

Being on the yearbook staff was a great endeavor for me, it gave me an opportunity to experience making a yearbook and being creative as much as possible. I enjoyed each day of yearbook, everything from taking pictures to typing hundreds of names, and since this was my last period class it gave me a chance to set aside my other subjects and concentrate more on my priorities in yearbook. As the annual is now completed, I feel a great deal of satisfaction in what I have done, knowing that I have accomplished something and being able to treasure these memories forever.

Oliver De la Paz

After 3 yrs. of working in yearbook, I've learned so many things such as taking pictures, developing and printing film, which I hope to use someday in the future. I've also learned the meaning of the word "DEADLINES". Also I would like to give a special thanks to Mr. Rocha who taught me all of these fundamental skills.

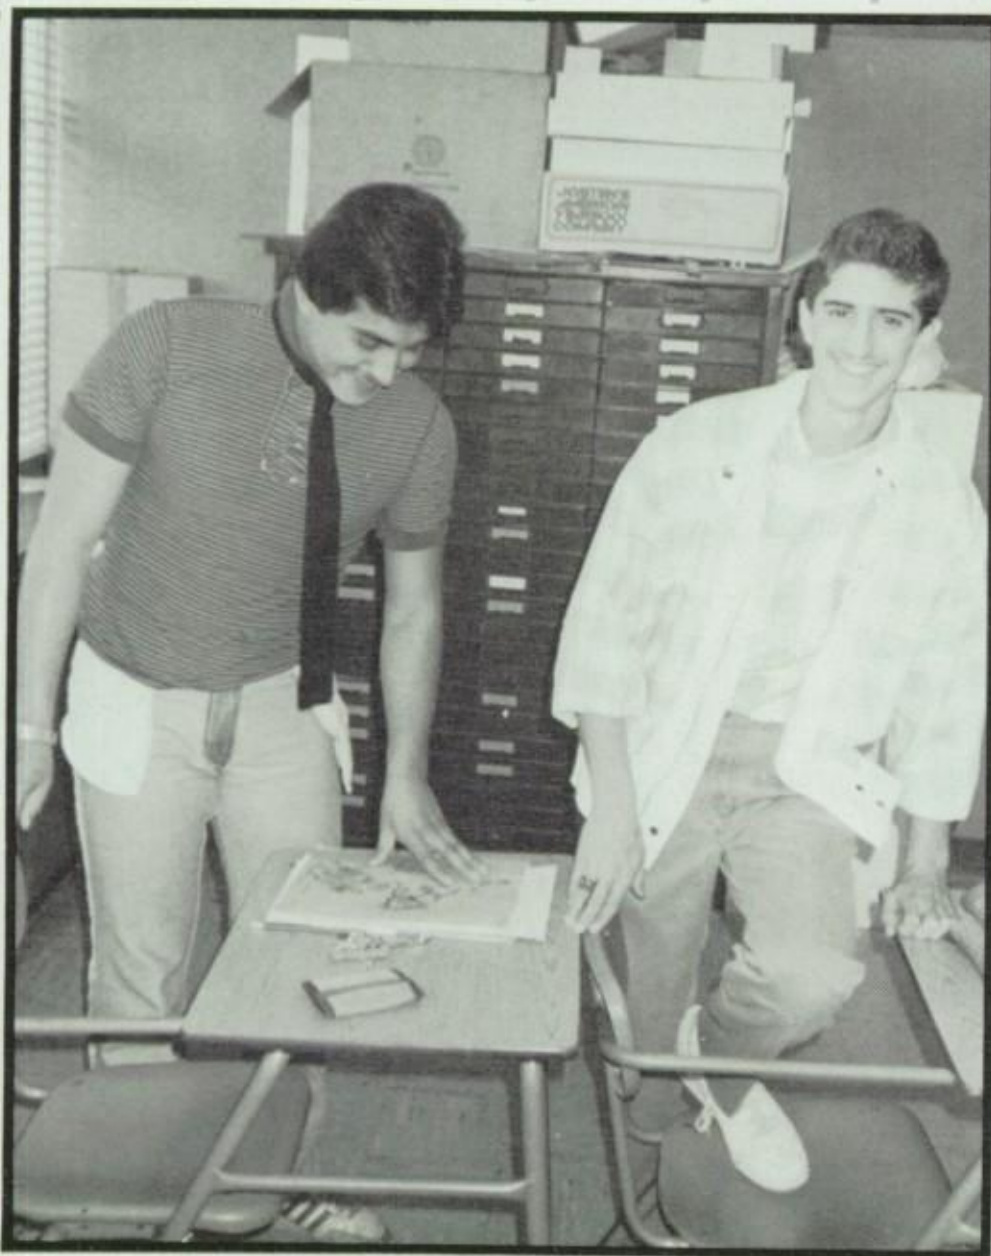

Howert Collins

This yearbook would not be possible without the hard work of the yearbook staff. It has been an enjoyable experience. I will miss all of you, especially when the next deadline arrives!

The spirit of St. Paul keeps going the Drill Team. The members performed excellent routines at football games and in competitions. Their involvement with practices showed all the difference when it was time to perform. The moderators were Mrs. Yolanda Campbell and Mr. Fred Rocha. With the understanding of being the best they can made the team work harder and kept their spirits high.

Being a member of the Banner Squad meant dedication and responsibility. Each member showed their enthusiasm and excitement of being part of the team when they performed at football games and at competitions. With the help of their moderator, Mrs. Rise Katnik the squad put all their time and effort into making a great routine that would make the true St. Paul Spirit come alive.

There were times when the squad felt like everything was going wrong and the day was never going to end. But the friendships made between the squad kept everyone going and made them stronger to do their very best. To them practice makes perfect and knowing that the crowd was as excited as them made everything worth while.

Swordsmen Are Superior

The tradition continued as St. Paul had another winning season (6-5) under Coach Ready. For the second straight year St. Paul made the playoffs.

It was no doubt the toughest preseason schedule in the Big Five Conference, and the Swordsmen were ready for the Cubs. But tragedy struck as a few costly turnovers gave Loyola easy touchdowns en route to a 42-13 win. It was time to regroup against a very big Whittier team. And like last year St. Paul won a laughter 28-7. After getting back on the winning track against Whittier, the Swordsmen prepared themselves against the #2 team in the state, Carson. The game was close with St. Paul only trailing by four in the second quarter. Then all hell broke loose as a revengeful Carson Colts shut the door on the Swordsmen 18-33. The fourth game of the season was played on a rainy Thursday night against the Ocean View Seahawks. In the end it was a tough St. Paul defense holding down the Seahawks for a 17-12 squeaker. St. Paul was now up against an undefeated St. John Bosco team. St. Paul began their comeback with little time remaining and nearly pulled out a miraculous victory. But in the end St. Paul fell short losing 17-21.

St. Paul was 2-3 and were prepared for a tough Angelus League. They started league with a thrashing of Bishop Montgomery 33-7 on Homecoming night. The next game was against the Mater Dei Monarchs. This game was very important towards a playoff berth. St. Paul brought back the Sword in this game, and slayed the Monarchs 27-6. The next game for the Swordsmen was a new team in the league, St. Bernard Vikings. It was plain to see the Vikings were out of their league as St. Paul dominated 49-16. The next game was against our rival Servite. St. Paul made sure Servite didn't forget last year's game in handing the Friars a 35-21 loss. The final game was for the Angelus title, but in the end Bishop Amat came out ahead 34-6. The score did not show how hard St. Paul played. It was another exciting year for St. Paul Football as they took second place in the Angelus League!

This years Varsity basketball team was one which consisted of four returning veterans as well as the addition of some new talent. This years team sought a second consecutive playoff birth and was able to achieve it through hard work and determination. After taking 3rd place honors in the Loyola and St. Francis tournaments, the Swordsmen turned their efforts toward the Angelus League.

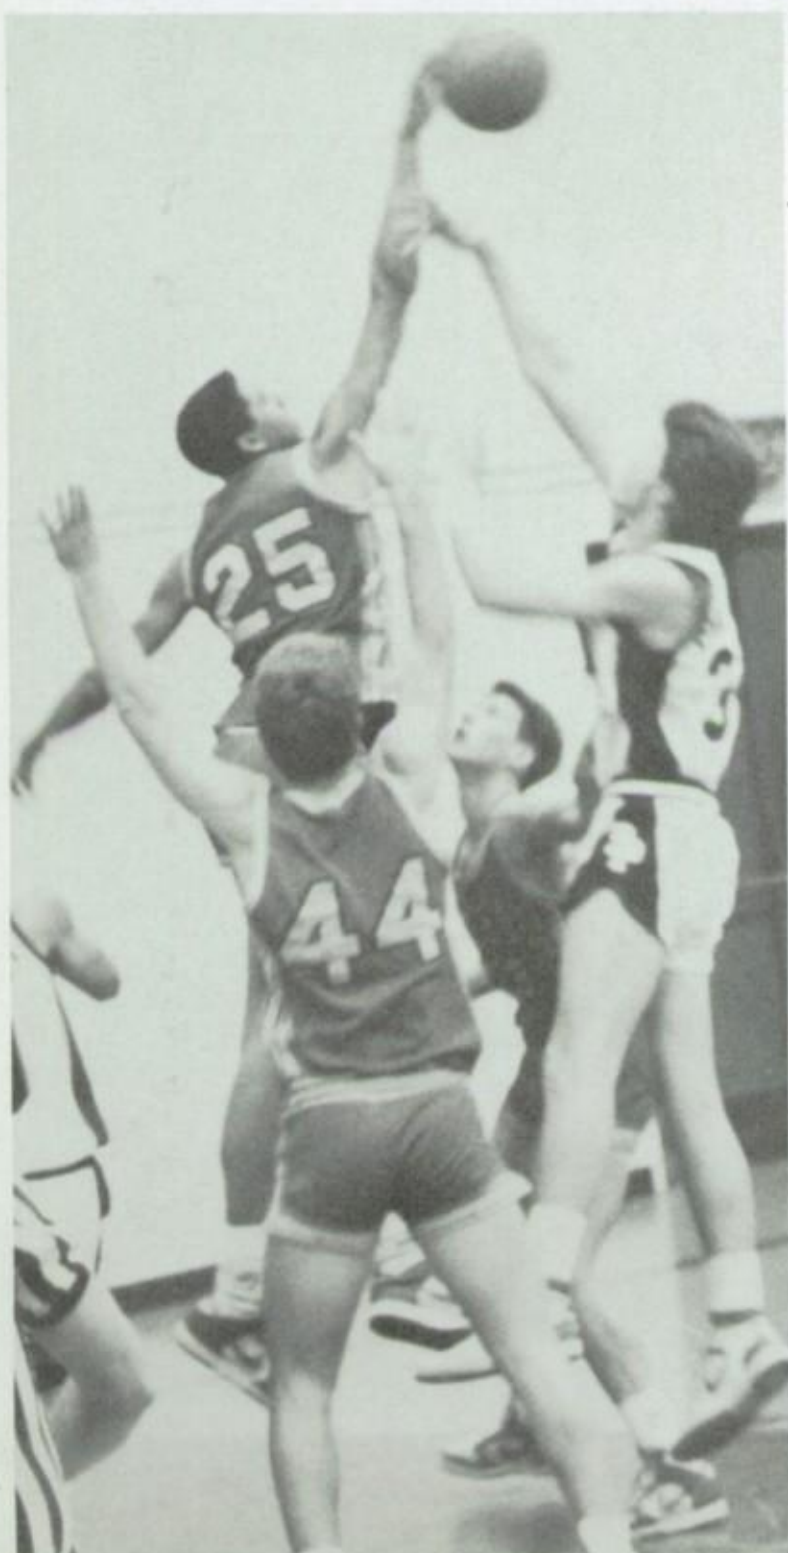

The Swordsmen were able to capture a fourth place standing in the Angelus League, lead behind the talents of returning veterans Greg Willig and Alex Flores as well as returning starters Matt Willig and Jeff Willis. Although the Swordsmen were unable to overcome Milikin, they still showed that they had what it takes to make a great team. Overall, this years team continued to exemplify the tradition of St. Paul spirit and showed that next years team could be a force to be reckoned with.

1986-87 Girl's Varsity Basketball Team

From top to bottom: Julie Solano, Cathy Simon, Samantha Adams, Katie Jackson, Alisa Estrada, Jennifer Higa, Delia Gutierrez, Cristi Medina, Ellen Johnson, Lydia Ayala, Shannon Gray, Ann Nevares, Cherie Campbell.

The Lady Swordsmen started off the season with a very mature but inexperienced team. The Lady Swordsmen were lead by returning senior players: Cherie Campbell, Alisa Estrada, Jennifer Higa, and Cathy Simon. Juniors: Christi Medina and Ann Navarez; Sophomore: Shannon Gray. The new players included seniors: Lydia Ayala, Delia Guiterrez, Katie Jackson, and Julie Salano. Junior: Ellen Johnson and Freshman: Samantha Adams.

With good attitudes and enthusiasm, the players learned to work with each other right from the start. No one showed any signs of giving up. The players supported each other through the good times and the bad times. All the team members cooperated with one another on and off the court. The Lady Swordsmen were coached by Ms. Gunningham, who, with a lot of dedication, determination, hard work and patience made this basketball season run smoothly. Even though they did not do well in the very powerful Angelus League, the Lady Swordsmen always displayed CLASS and played with PRIDE.

Last year, the Varsity softball team finished third in the Angelus League and advanced to the third round in CIF playoffs before being eliminated. This years plans included going all the way! With eight returning players including sophomore pitcher Keri Kropke, senior Cherie Campbell and junior Kim Lane the Lady Swordsmen were more than ready to challenge the CIF champs, St. Joseph. This season was a very exciting and competitive one!

Top Row: Coach Gerry Riordan, Gary Collins, Joel Viado, Steve Mink, Xavier Vega, Danny Dolan, Chris Putman, Kevin Greenway, Victor Olmedo, Mike Mullen. Bottom Row: Robert Sanchez, Steve Chavez, Jay Lizarga, Sean Greenway, Danny Ramsey, Dave Donnelly, Aldo Barragan, Greg LaValle, Xavier Guzman.

This year's Varsity soccer team was coached by Elias Garcia and newcomer from Ireland Gerry Riordan. The soccer team had its best record this year since its beginning in 1984.

The team was lead by seniors: Howert Collins, Greg LaValle, Steve Mink, Robert Sanchez, and Tom Ontiveros. One of the major reasons for the team's success was its defense lead by sophomore goal keeper Danny Ramsey. This year the Varsity soccer was in the running for a playoff spot.

The soccer team ended the season in 4th place in a very competitive Angelus League, dominated by Mater Dei and Bishop Montgomery. The team hopes to improve their record next year with many returning players.

1987 Varsity Baseball Team

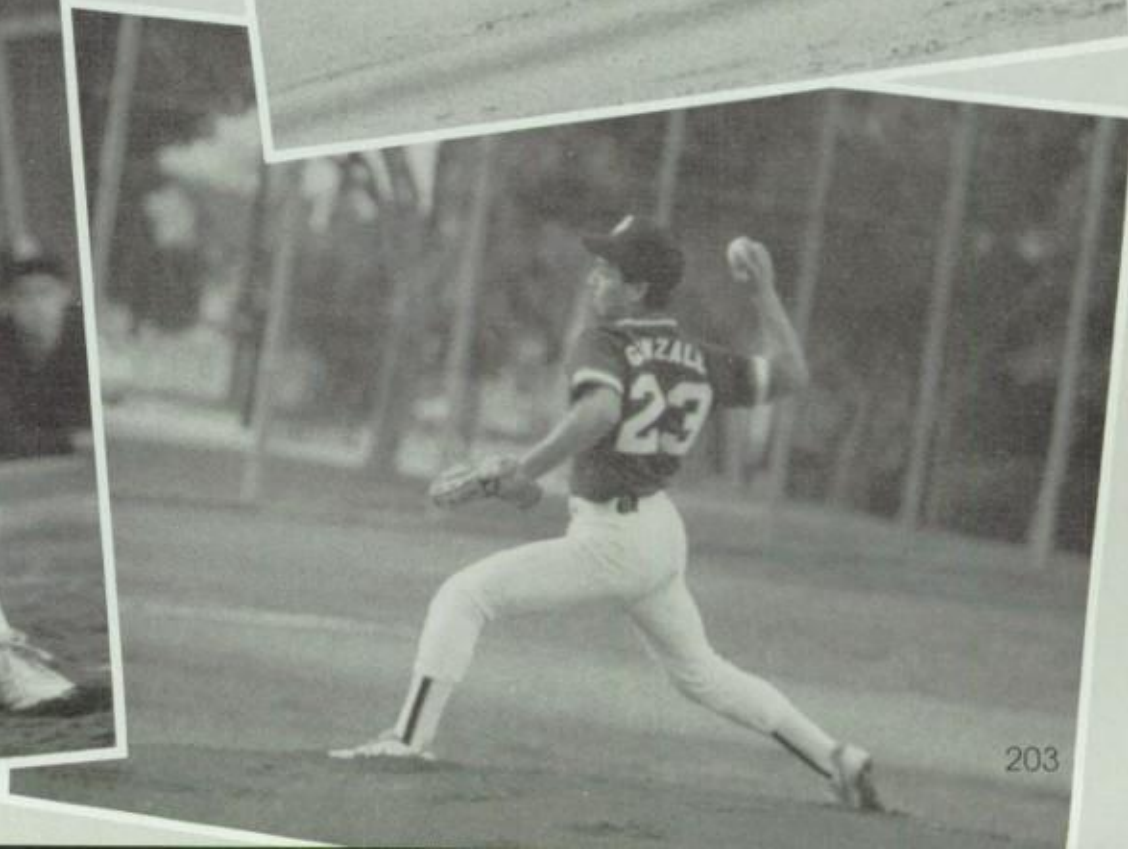

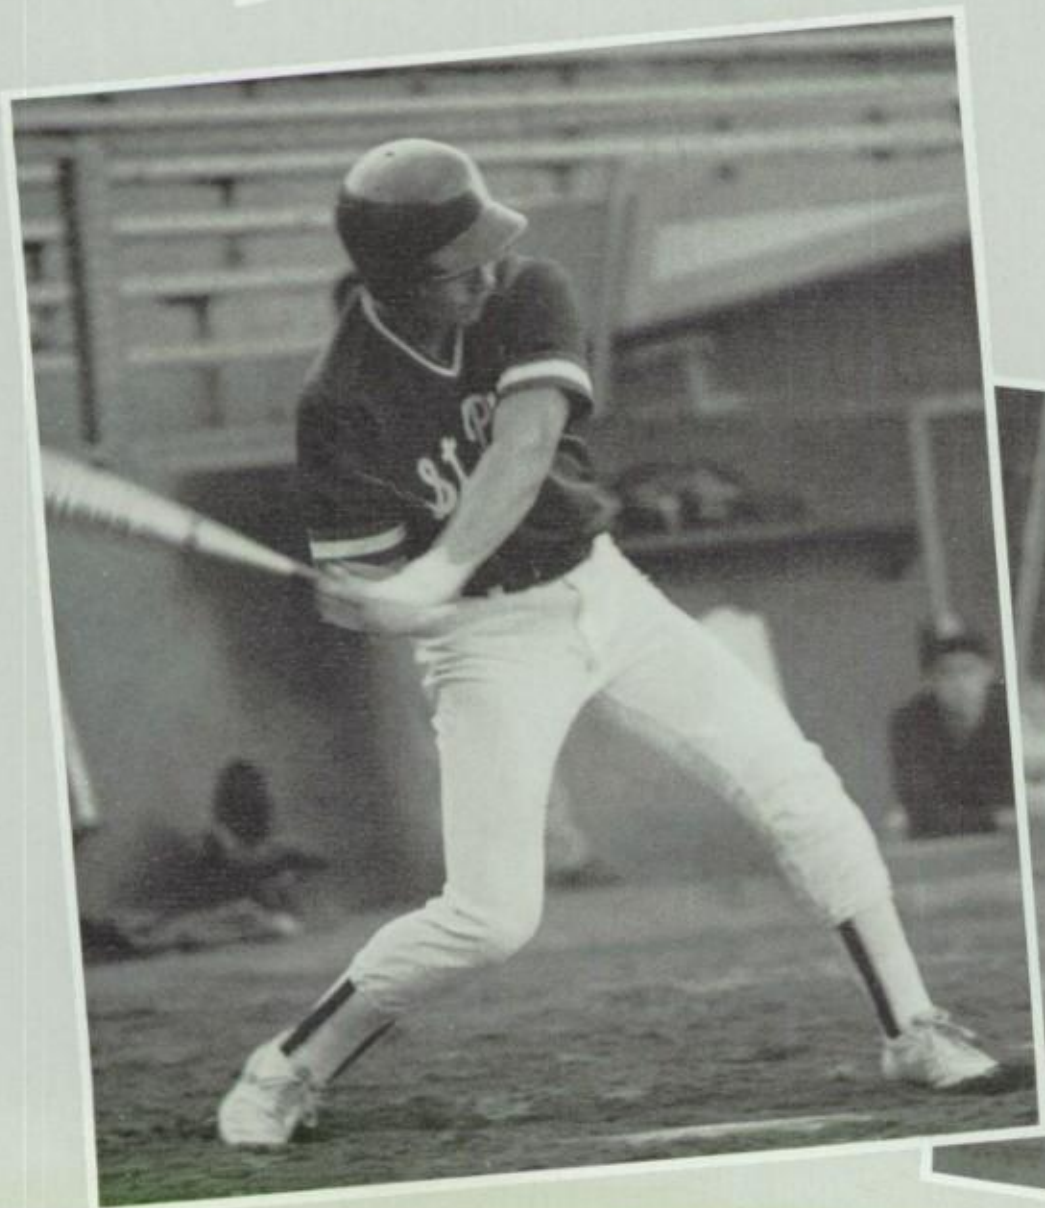

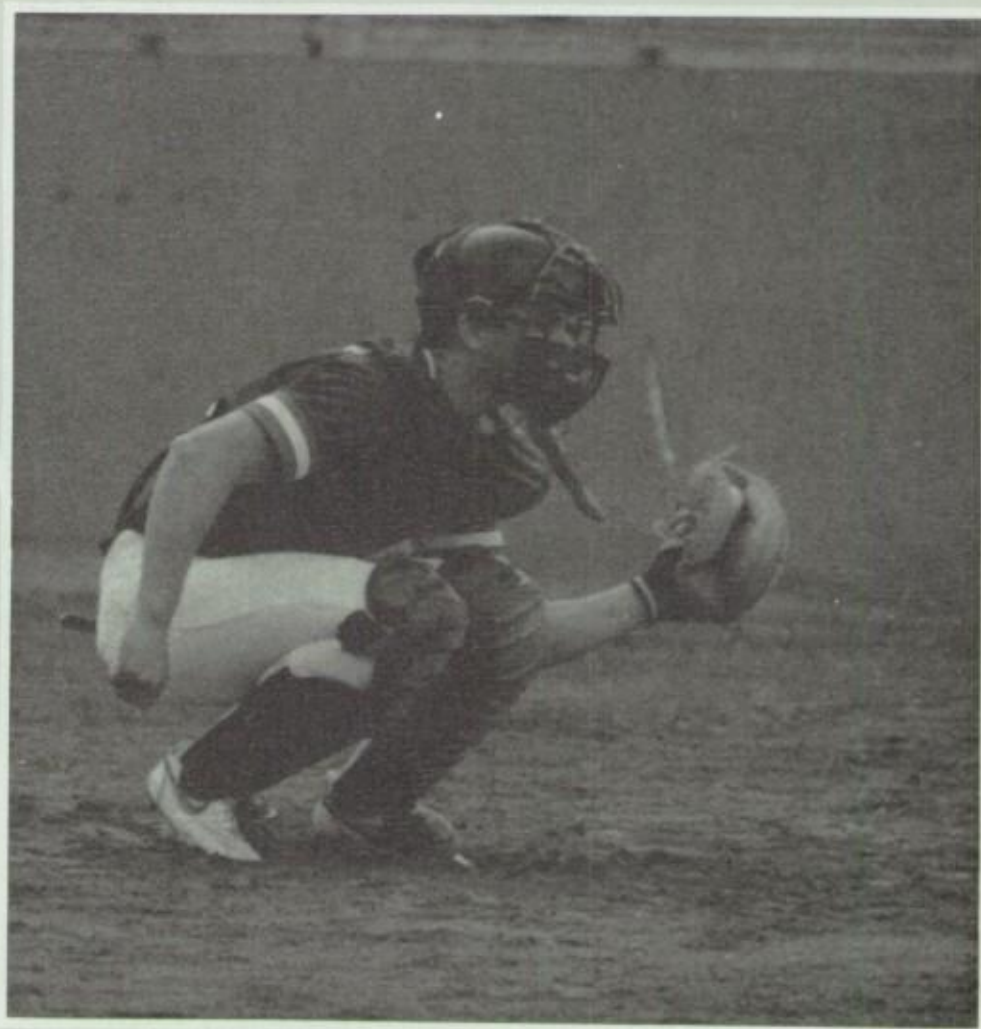

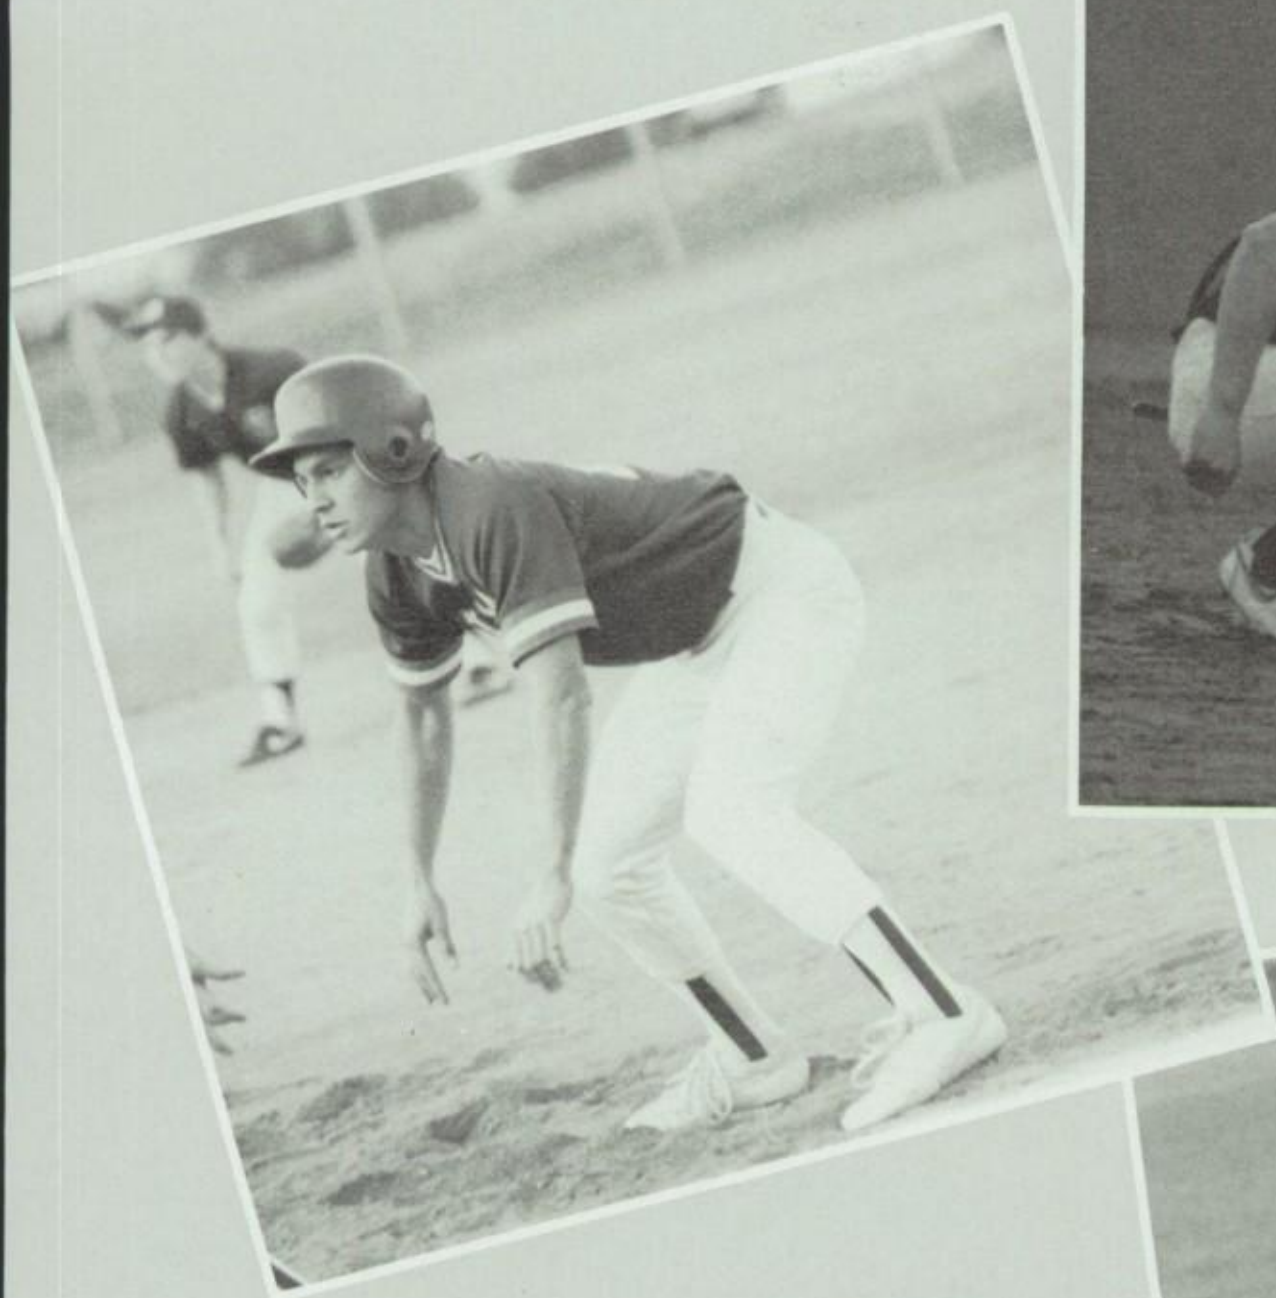

Front Row: Marc Aguirre, Jason Pantages, Mando Costello, Roland Chavez, Jeff Willis, Randy Castillo, Darren Collette, Eric Nunez. Second Row: Coach Leo Gutierrez, Kevin Krause, Rene Licon, R.C. Chavez, Victor Gonzalez, Rick Zepeda, Miguel Medina, Emmitt Amezcuita, Steve Duda, Asst. Coach Tony Hernandez. Third Row: Asst. Coach Ed Calderon, David Carrasco, John Savedra, Mike Kyckelhahn, Keith Quiroz, Marty Tourville, Tom Gordon.

The defending Angelus League Champion baseball Swordsmen opened their season with more question marks than any SP team in the past 5 years. Although 3 starters were returning (Costello, Willis, Pantages), the strength of the program each year-pitching, was our greatest concern. The group was talented but very young and inexperienced. Only senior southpaw Marc Aguirre had any varsity experience. Some of the other members of the St. Paul pitching included senior righthanders Darren Collette and Rolli Chavez, junior righties James Chavez, Victor Gonzalez, Vince Martinez, John Savedra, Keith Quiroz, and lefty Mike Kyckelhahn. Sophomore righties Steve Duda, Emmett Amezcuita, and R.C. Chavea.

Despite the uncertainty in pitching, there were several bright spots in the season. The Swordsmen were very strong defensively. We were anchored at second base with Rene Licon, short stop with Jason Pantages, center fielder with Mando Costello. Offensively, we had a good balance of power and speed. We relied on contact hitters like Costello, Licon, Pantages, and Rolli Chavez to reach base. Then we turned to the big guys like Jeff Willis, Marty Tourville, and Aguirre to drive them home.

This season was another exciting one. For those of you who followed Angelus League Baseball, you know just what that means.

Fr. Carroll is remembered as Principal of St. Paul High School for:

**Being a dedicated Priest.*

**Exhibiting outstanding leadership in the areas of academics, athletics, and spiritual development.*

**Tripling beginning salaries for lay teachers.*

**Maintaining a tuition level that is among the lowest in the Archdiocese.*

**Enhancing the academic status of the school through curriculum development and increased graduation requirements.*

**Enhancing the Fine Arts curriculum by fostering the band, choral, and drama programs.*

**Creating the Office of Campus Minister/Chaplain.*

**Leading the school to two successful full-term*

renewals of accreditation.

**Increasing the lines of communication between elementary feeder schools and St. Paul High School.*

**Serving on the Superintendent's Advisory Committee on Personnel Practices.*

**Serving on the Executive Board of the Catholic Athletic Association, Southern Section.*

**Representing the Angelus League on the Council of the California Interscholastic Federation Southern Section.*

**Balancing the role of athletics within the total program of the school.*

**Introducing a new program for volunteer mothers at the Snack Bar.*

**Beginning the new St. Paul High School Bingo Program.*

**Creating and equipping the Business Skills and Computer Labs.*

**Increasing the number of qualified teachers on the staff.*

**Initiating the practice of making an annual financial disclosure to all faculty and parents.*

**Establishing the process by which the Student Handbook is revised annually.*

**Implementing stringent absentee-tardy policies.*

**Acquiring new VCR equipment.*

**Attending student activities — dances, games,*

fundraising events, etc.

**Activating the Principal's Advisory Committee on Personnel Practices.*

**Replacing the gym floor.*

**Campus beautification.*

**Being generous to the faculty — "Christmas Bonus."*

**Increasing the number of science "labs" on campus.*

**Removing the asbestos throughout the school.*

**Building a new weight room.*

**Air conditioning the Library, Business Lab, and Administration Building.*

Coming Soon: 1987-88 St. Paul Marching Band

In case some of you don't know we have a new marching band here at St. Paul High School! The marching band is under the direction of Rosemary Fernandez and is composed of approximately 25 marchers. The Spring semester has been a time of recruitment and preparation for next year's football season. Along with half-time shows at all of our home games, the marching band plans to attend parades, half-time competitions, various school and community functions as well as fun-time activities (i.e. Disneyland, Magic Mountain, Dodger Stadium, beach trips, etc.). If you play a musical instrument and are interested in becoming a part of the St. Paul Marching Band come and join us this summer to prepare for football season '87!

We would like to thank the following for their contributions to the 1986-87 Lumen:

*God, for His strength and inspiration.
Father Gallagher, for his assistance and support.
Father Carroll, for his continuous support over the years. We'll miss you!
Mr. Rocha, for guidance, patience, and understanding. Also for showing us how to demonstrate responsibility and commitment to our work. We love you!
Ms. Hall, for her photographic assistance.
Mr. Dave Sorenson, our company representative, for his expertise, advice and encouragement.
Jostens, for producing our yearbook.
A.P.S., for student I.D. pictures and Senior portraits.
Sunset Labs, for rush order developing and printing.
Mr. Riordan, for letting us use the darkroom in 207.
Ms. Barrass, for helping with pepsquads.
Mrs. Campbell, for helping with performing squads and use of room 203.
Ms. Oswald, for use of the Business Lab.
Mr. Gutierrez, Mrs. O'Meara, and all of their coaching staffs for helping with information and pictures relating to sports.
All teachers and homeroom teachers, for letting us make announcements and giving us passes to do yearbook business.
Mrs. Ronan.
Mrs. Duda, Mrs. Prentice, Mrs. Cunneen, and Ms. Gonzales, for providing us with vital messages and mail.
All people who helped us with last minute copy.
Our parents and families for their understanding.
Our friends, for having patience with us during deadline rushes.
People who placed ads in our yearbook.
Everyone who bought a yearbook.
And finally, to the fellow members of the yearbook class, who gave each other encouragement and friendship.*

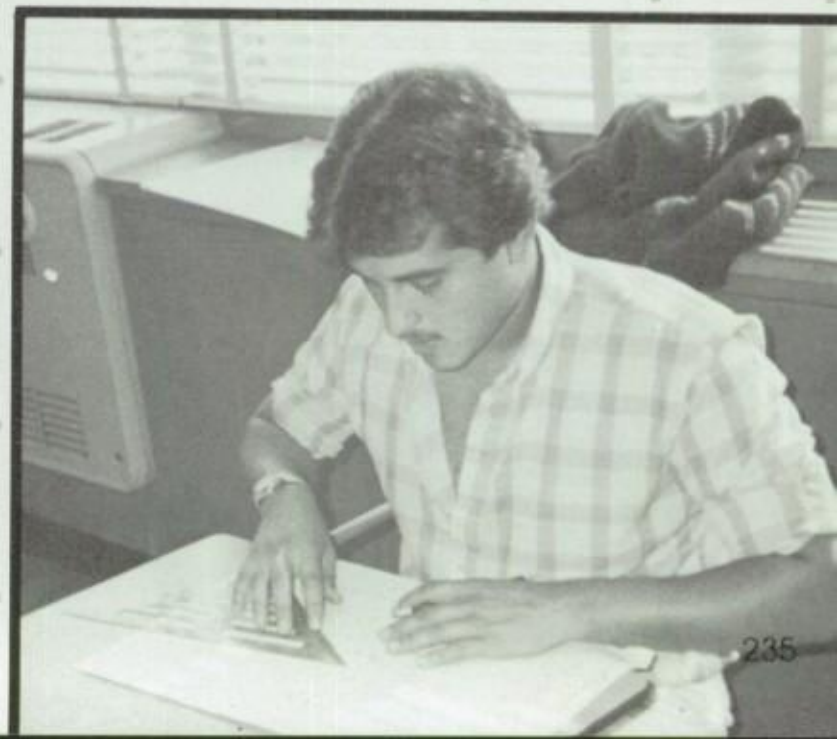

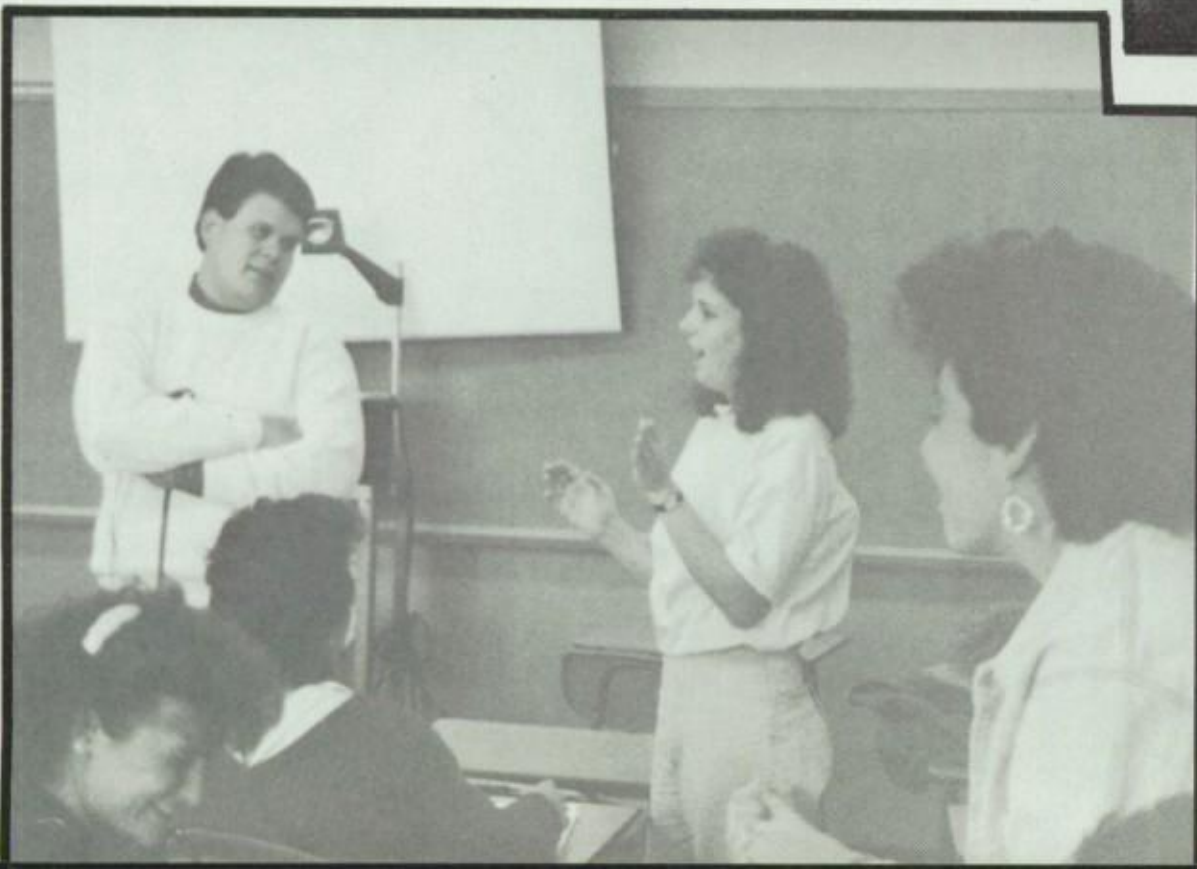

The Lumen staff acknowledges the use of various quotes throughout the book from a variety of sources. When the author or source is not given, the staff does not take credit, but instead was unable to find the name of the author or source.

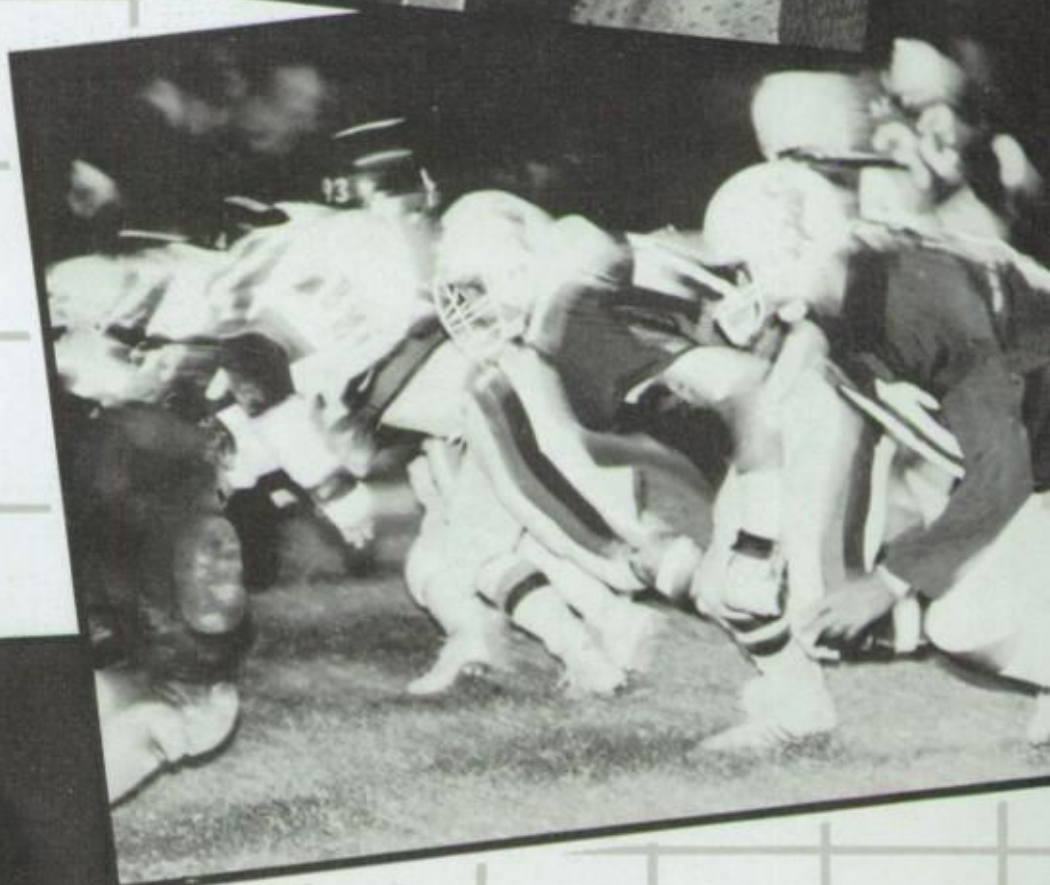

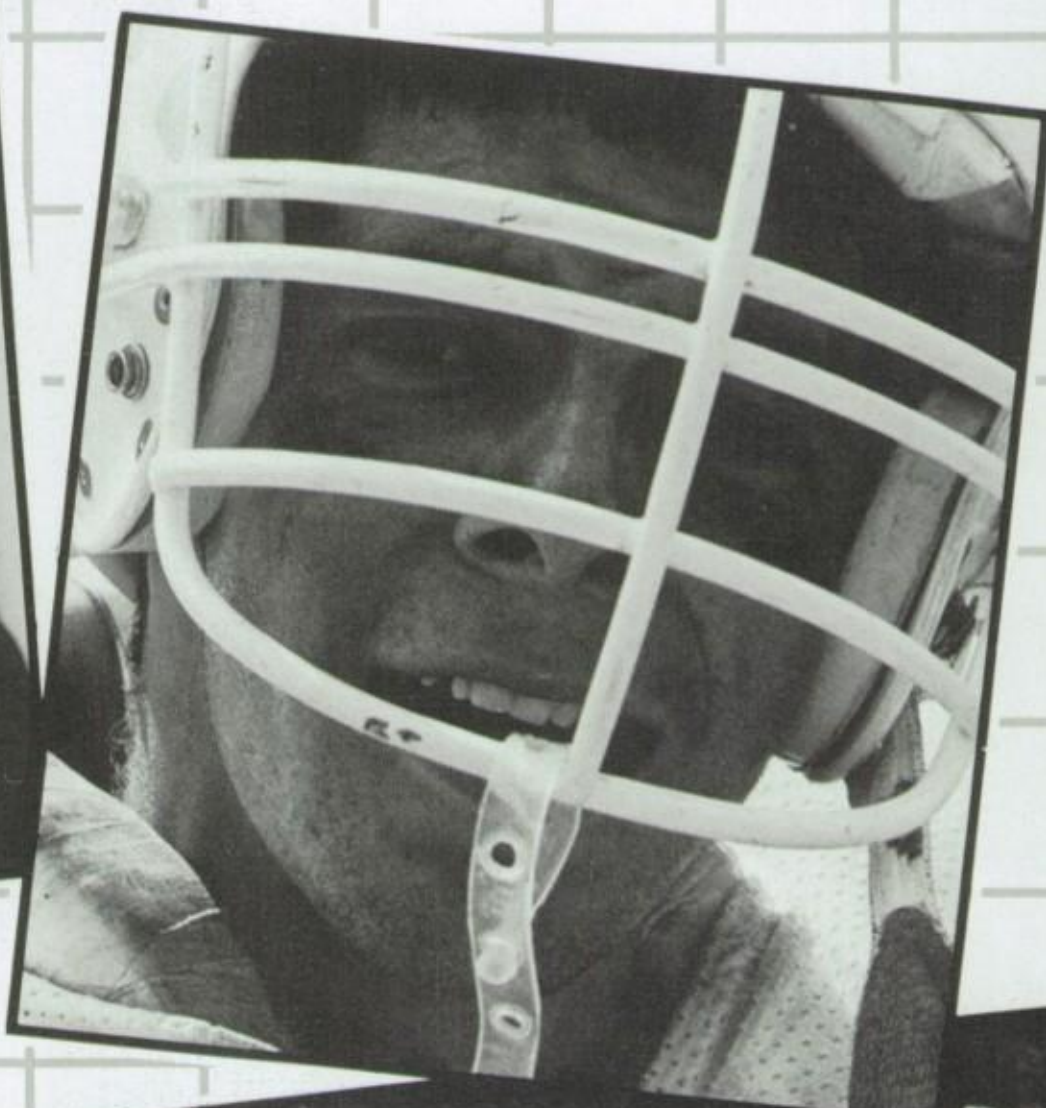

Tim Braun: Have you seen this man?

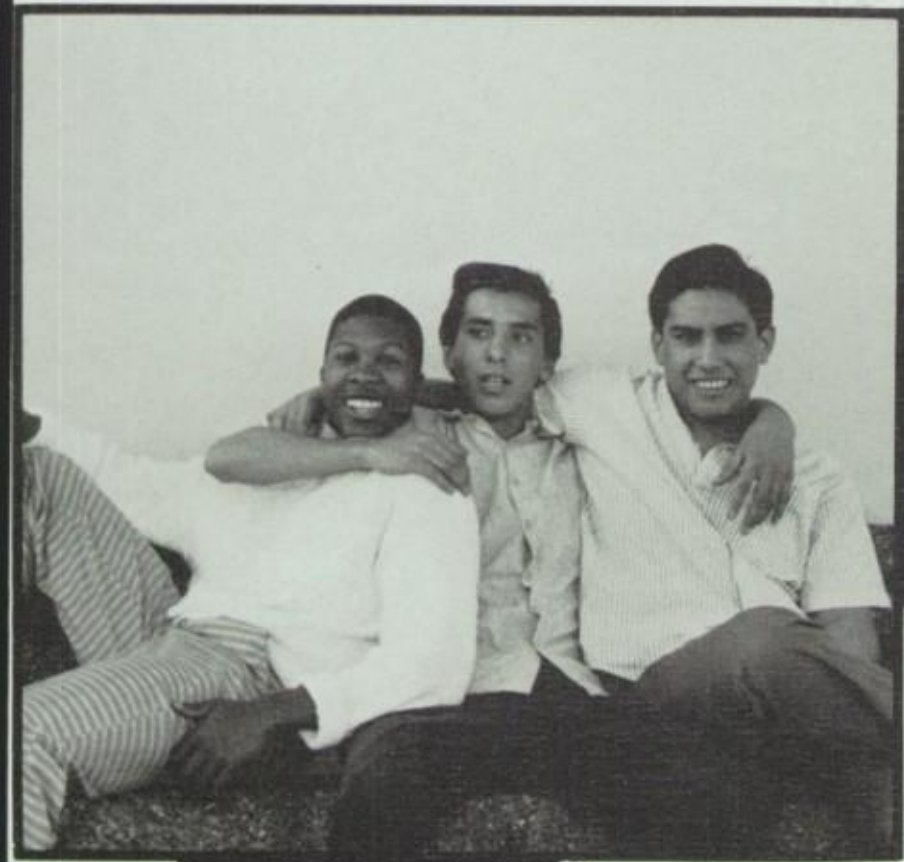

We've been looking for him all year!
